Meeting called by: Mitzi Drey

Type of meeting:
Educational

Siouxland Society of Radiologic
Technologists

Number of Attendees: 39

Agenda

7:00 PM Presentation : Carotid Artery Imaging and Stenting
Dr. Michael Bacharach

8:00 PM Business Meeting

- 1) Approve Minutes from last meeting- Sue Calmus
- 2) Treasurer Report-Sue Calmus
- 3) Old Business
 - The VA will be hosting the Siouxland meeting in February, to replace the Orthopedic Institute
- 4) New Business
 - a. Discussion on ideas to celebrate NRTW at the next meeting.
 1. Cathy suggested a “name the object on the x-ray” contest and she will organize. It was decided to give away 6, \$25 gift cards in celebration of NRTW. Sue will purchase these and have them for our next meeting.
 - b. There was discussion regarding awarding a technologist registration for the SDSRT annual conference in April in Mitchell, possibly to a technologist who has the greatest attendance at our Siouxland meetings. We will discuss further at our next meeting.
 - c. The 100 year anniversary of the ASRT will be celebrated at the annual conference in Albuquerque. There was discussion regarding sponsoring someone to attend by providing a scholarship. This will be discussed further at our next meeting.
 - d. Siouxland Scholarships: there was discussion about providing the Siouxland Scholarship for one Avera and one Sanford student again. It was approved that we will provide a \$500 scholarship to one student from each program. The application deadline is January 1st and the application can be found on the SDSRT website.

Additional Information
