HOW MANY PEOPLE. How many people will be attending your Overnight Session _____

WHO. List the names, ages & phone numbers of the people who will be attending:

<u>Name</u>	<u>Age</u>	<u>Telephone</u>
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

DATES. In order of priority, provide 3 different dates you want to schedule, in the event the night you want is already booked.

1. _____
2. _____
3. _____

PETS. Will you have a pet with you? _____ (You will be asked to provide an additional \$150 pet deposit)

Indicate type and size of pet _____

Pets must stay in a crate. If the pet goes outside to toilet, you will be responsible for picking up the poop and discarding it in the trash. Under no circumstance will the pet be allowed to roam free, but must remain in the crate at all times, unless they are outside. If outside, they must be on a leash.

GUIDELINES. Whether you decide to do a Solo Healing Journey with the overnight session or you choose to bring friends or family members, we are hearing that miracles do occur during these extended sessions. In the Tony Robbins interview, he speaks about struggling daily with shoulder pain for over a year until he spent the night in the EES room. He awakened with absolutely no pain and that's when he had EES installed in both of his homes as well as his office. The Overnight sessions are deserving of your focused intention, while

remaining open to what your higher guidance determines you need to heal. The EES room is a **Sacred Space**, a special energetic “container” for you to have a concentrated immersion experience. EXPECT MIRACLES! Below are some guidelines we ask you to abide by:

- Your Overnight Session will be from 8:00 pm to 8:00 am
- You will be required to submit a \$250.00 refundable deposit or \$400 deposit w/pet (pets must remain in crates the entire overnight session)
- You may take your crated pet outside to poop, which must also be bagged and disposed of appropriately in the trash bins outside by the fence
- You will need to eat your evening meal before arriving
- You may bring light snacks which must be eaten in the kitchen
- No food is allowed in the EES room
- No cooking is allowed in the kitchen
- A hot water decanter and a variety of teas will be provided
- No alcoholic beverages allowed on the premises
- The restroom outside the EES room will be the only one used by your group; No showering is allowed
- While we have 2 cots and many recliners and zero gravity chairs, you are encouraged to bring your own air mattress for comfort
- You may want to bring blankets or sleeping bags for each person, but we have many pillows and blankets
- You should bring your own water to drink, but filtered water will also be available in the kitchen
- Cell phones are allowed in the room but not for talking or making calls in the EES room
- Mp3 players are also allowed
- Trash bags will be provided and your trash must be bagged up and left by the garbage bins near the fence outside
- You must be very careful not to accidentally touch or move the EES equipment or you will be charged \$3,000 to have the equipment recalibrated (units are calibrated within 1/100th of an inch)
- If you have any issues or questions, your EES Attendant will be upstairs to assist
- **DO NOT TOUCH EES SCREENS, MONITORS OR EQUIPMENT**

When you are ready to check out, your EES Attendant will do a thorough check to make sure all of the guidelines have been adhered to. If all is in order, your refundable deposit (if check) will be returned.

If any damage or negligence occurs, your deposit or a portion of your deposit will be forfeited and you will not be allowed to book future Overnight Sessions.

By signing below, we ask for your commitment to help us maintain the integrity and the sacredness of the healing space that has been created inside the EES room, the premises, and the outside surroundings.

Dated this _____ day of _____, 20____.
