15 Contact Information

About the Company

- ▶ Hesham Abbas for Consulting provides consultancy services to clients in various sectors locally, regionally, and globally.
- ▶ We specialize in supporting clients in achieving ISO certification and accreditation.

Our Mission and Vision

Unifying Purpose for Growth and Impact

Mission

To empower organizations through innovative solutions.

Vision

To become one of the leading providers of transformative solutions in the Middle East.

Differentiation

While traditional Auditing/Consulting & Training Organizations sell information, we provide complete and strategic solutions aimed at advancing individual and organizational performance.

We work in partnership with our clients to fully understand their business needs and requirements.

Our approach ensures that our clients benefit from our independence, integrity, innovation, industry knowledge, and expertise.

Focus Areas

01

We prioritize handling complexity, sustainable growth, innovation, compliance, and productivity enhancement.

02

We adopt management consultancy best practices to enhance business processes, management systems, assurance, documentation, testing, risk mitigation, and consultancy service closures.

Services Offered

Comprehensive Range of Services to Meet Your Needs

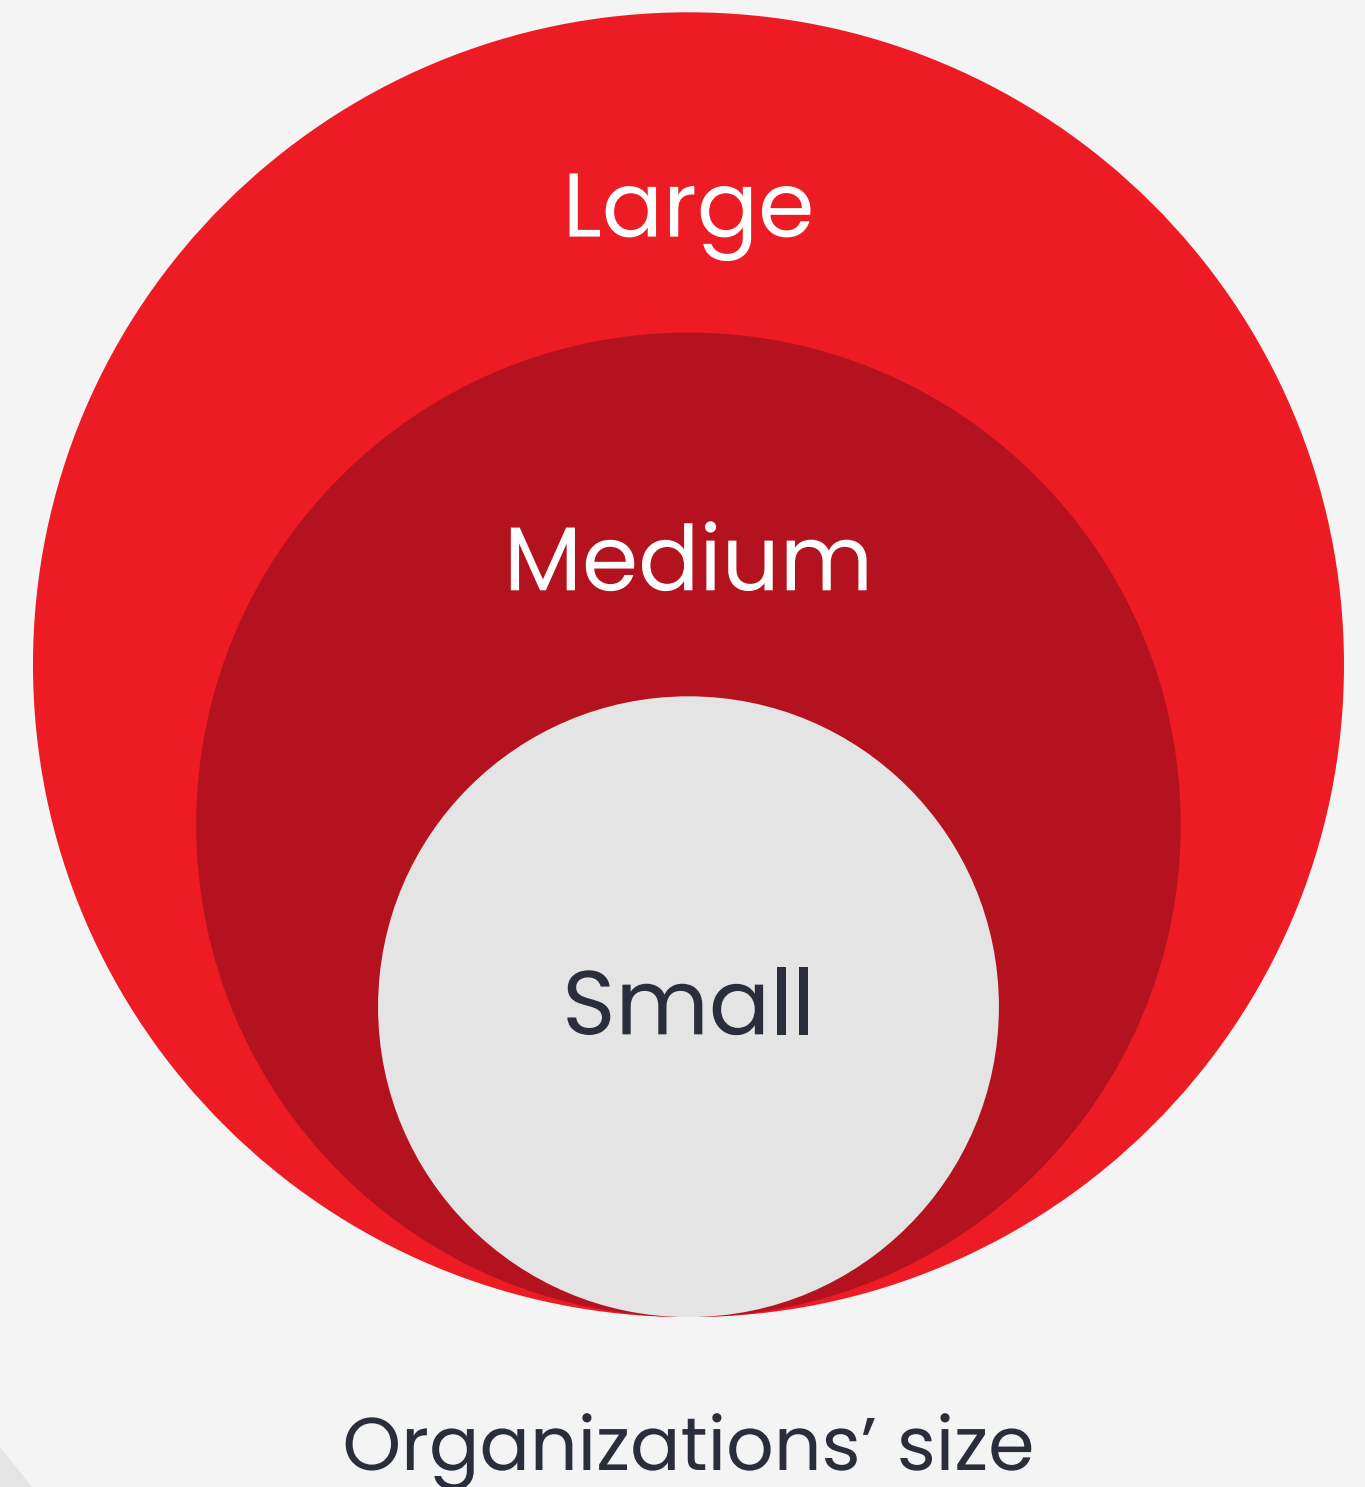

Training: We provide training services for ISO standards.

Consultancy: We offer consultancy services to assist clients in implementing ISO standards and improving their business processes.

Auditing: We conduct audits to ensure compliance with ISO standards.

Client Coverage

- ▶ Hesham Abbas for Consulting covers all sectors, irrespective of their size or specialism.
- ▶ Our clients include sole proprietors, partnerships, associations, governmental and non-governmental organizations, and internal departments of corporations.
