### *About us.....*

Beaugard's Southern Bar B Que opened it's doors in Wilmington in June 2000 on the north side of town. Our family is originally from Blytheville, Arkansas (50 miles northwest of Memphis, Tennessee) and we have more than fifty years experience in food service. In keeping with our southern tradition, we smoke our meats to a juicy, tender perfection, our side dishes are homemade and we serve our food on paper products. Our menu has items such as, fresh brewed tea, sweet potato pie and greens, so you get that southern style food experience. We greet you when you walk in the door and try to give you that "southern hospitality" feeling while dining with us. We also have a catering menu to help you serve that southern style during your next big event. The restaurant is currently owned and operated by Marty Beaugard who retired after 22 years of service in the Air Force. Stop in and give us a try!
