RESPECT LIFE MONTH

St. Joseph, defender of life, pray for us!

This is the first commandment, the second is like it!

Gospel Message

Every priest, and indeed every Catholic, can sometimes find themselves in the position of someone asking This religion of yours what's it all about, really, when you come down to it? What's the bottom line?

Our temptation might be to start going on at length, which is when we should remember this Gospel. Jesus, asked a very similar question, pins our faith down to two very simple things "love of God and love of neighbor" which together make up the foundation for everything else in our religion.

The very simplicity of these two commandments is a gift, so that we can try to live them out each day of our lives. The first commandment, which is also that given by Moses in the first reading, is actually a prayer that our Jewish brothers and sisters still recite every single day.

Jesus, our perfect High Priest, gives us these two commandments to be written in our heads and our hearts, to remember each day, so that we may conduct ourselves in the paths of the Kingdom of God.

Last week we were following the lessons of "St. Joseph, Defender of LIFE". Some of our students were able to draw some great images of St. Joseph, defending life, Pro-Life defeating abortion. Mountains of LIFE, a sea of life. There are images of family life, neighbors and friends! We believe in "LIFE" and that ALL life is valued. It cannot be destroyed in any matter!

For I know the plans I have for you, declares the LORD, plans to prosper you and not to harm you, plans to give you hope and a future.

We need to STOP ruining God's Plans!

Next week, we will take a look at the life of "Vocations" in the church and what that means to receive the "Call" to become religious! Stay tuned!

Also, remember that on November 7th we are turning our clocks back one hour to standard daylight time! Be sure to mark your calendars!

The White Ribbon Against Pornography (WRAP) Week is October 31, 2021 to November 6, 2021. This campaign is intended to educate the public about the extent of the pornography problem and what can constitutionally be done about it. Fighting pornography, however, is a year-round challenge. Wear or display a White Ribbon during WRAP Week and all year long. People will see the White Ribbon and ask why you're wearing or displaying it. For further information:

Remembering Those Who Have Died

November is the month in which we remember family members and friends who have died. You might want to consider making a donation to the Adopt-a-Student scholarship fund in memory of a loved one. In return that person (or persons) will be remembered in prayer. Whatever you write on the heart of a child, no water can wash away. Stories may perish, songs be forgotten, but what has been written on the heart of a child will last forever. Thank you for your support.
