

ON THE "FRITZ"

Dear Brothers and Sisters:

Someone shared with me that there is a Saint Corona. Her feast day has been May 14th. She is not the patroness of defeating viruses. She is invoked in connection with gambling or treasure hunting. She and her husband Victor were martyred together.

As we experience this concerning time in history, the only thing like it is the flue of 1917-1918. Millions died all over the world. All public buildings were closed until it had passed.

When so much of our daily lives is disrupted, we should take time for reflection. We ask why has God allowed this?

Suffering for a Christian is an invitation to follow Jesus. We are blessed not because of the cross but because it is his cross. When we share in his sufferings. We are certain to share in His glorious resurrection.

For us the Mass is the source and summit for our life as the Body of Christ. In the Holy Eucharist, Jesus fulfills his promise to be with us always!

Jesus in the Tabernacle is present in all our Catholic Churches around the world. Stop by and make a visit if only for a visit. Jesus waits for each one of us.

Adoration of the Blessed Sacrament will be held this Friday as usual.

Pray the Rosary as a family and ask the Blessed Mother to deliver us from the pandemic by her powerful intercession under her title Star of Heaven.

And this too shall pass!

In the Crucified one and His Sorrowful Mother,
Father Alan
