

Session Recording Waiver & NDA

For Cam Sessions, Device Control, and Online Content

Purpose

This document outlines the agreement between the Dominant ("Madam Malevolent") and the client ("Submissive") to ensure sessions remain confidential, unrecorded, and free from unauthorised distribution or AI-related misuse.

Terms of Agreement

- The Submissive shall not record, capture, stream, or archive any portion of a session without prior written consent from the Dominant.
- This includes screen recordings, screenshots, audio recordings, browser-based capture tools, or third-party software.
- The Submissive agrees not to share, post, leak, or transmit any images, audio, text, or interactions from sessions on any platform.
- All materials shared by the Dominant remain intellectual property and may not be duplicated or stored.

AI & Deepfake Protection

- The Submissive is prohibited from using the Dominant's voice, likeness, images, or video content in AI training, face-swapping, deepfake generation, or simulation tools.
- This includes submitting content to image generators, voice replication services, or synthetic avatar creation tools.

Confidentiality Clause

- The Submissive agrees to keep all information disclosed during sessions private and confidential.
- This includes real names (if shared), booking procedures, personal preferences, platforms used, and any digital correspondence.

Breach of Agreement

- Violation of this agreement will result in permanent blacklisting and may lead to legal action.
- Non-consensual recording or distribution may constitute an offence under the UK Online Safety Act 2023 or equivalent international laws.
- In the event of breach, this document may be provided to authorities or legal representation.

Consent Confirmation

- By entering the session, the Submissive confirms full understanding and acceptance of these terms.
- If you do not agree, you may not participate in the session.
- Your continued presence constitutes digital signature and consent.
