Rasool Menswear, Miami Florida is a family owned and operated business in Miami, which was established by Rasool Malik and his loving wife, Guana B. Malik, in 1985. Rasool's, the store, began as an urban store of 600 square feet and 24 years later has evolved into a 6,000 square feet wall-to-wall "men's paradise."

Rasool's has more than 500 different styles in shoes, designer suits, men accessories, casual wear, street and urban wear. Currently, Rasools has become a well-known landmark within Florida, serving Miami with their great spirits and Islamic values. The second son of modest, working-class parents, Rasool Malik was born in 1953 to William K. Mickens and Aline White, in the beautiful city of Miami. "Building a strong foundation was a difficult challenge, and I could not accomplish it without a mentor," says Rasool. "I give thanks Allah for Imam W.D. Mohammed for his spirit-filled teachings that helped me to establish my life with my wife of 26 powerful years, Guana B. Malik. We have been blessed with eight business-driven children. AlHamdullah (Praises be to God)." He says that at one time up to three generations of family members worked in the store. His daughters - Aquila, Gloria and Guana Taheerah - have all worked in the store, though having degrees and businesses of their own. Rasool says, "The deal we make is simple; we all work hard so that the business thrives and that allows us to take care of the family - like putting our kids through college.

We all have to do our share to take care of the business that takes care of us." Sometimes a workday may be 12 hours, but it is a labor of love and enjoyable. Rasool explains that he and his wife started their first business venture in 1979. "We opened a 24-hour restaurant called Steak, Fish & Takes. We did our best to employ many Believers. In 1980, we opened a mall named Bilalian Mall, which housed various business stalls. Following the mall venture, we opened a second restaurant that following year in 1982." When business got tough in the restaurant industry, the Rasools decided to downsize by opening a hot dog cart business in 1983. To their surprise this venture was very lucrative, and they had a total of eight successful hot dog carts on the streets of Miami. In 1985, their first strip mall was built with 10 beautiful store fronts. The project cost approximately \$375,000. Most of the labor was performed by African American contractors and sub-contractors.

"Because the rent we collected was low, we could not meet the mortgage and other expenses, so we went on to try our hands at a Halal Meat Store. But it needed more Muslims support in order to succeed. Unfortunately, we were forced to go back to the drawing board," Rasool says. "Over the years, we pursued other business ventures, which included a second restaurant business and a beauty supply store. It wasn't until 1985 that we finally found our niche in the retail industry. Thus, the birth of Rasool's, men's clothing and shoe boutique," he says. Now, more than 20 years later, the store Rasool's has become a household name throughout South Florida and is one of the most sought-after boutiques for fine men's apparel and also along the east coast. There is also the Rasools online store at www.rasoolsonline.com.

*Simple Kreation's Motto is
to always provide Modest
Clothing Fit for a Queen.*

My childhood journey started in the City of Elizabeth, NJ, where I attended public school. My parents William J. and Mary C. Brown were lifelong residents of the city Elizabeth. I am the 3rd of five children. I attended the Elizabeth Public School system and graduated from Battin High. Throughout my life I have always had the desire and passion to assist people anyway I could. I would like to credit this trait from my mom. I learned to sew in Junior High School, and later it became something I love to do. I used to sew for others in my home and in November 2015, my companion and I opened a women's boutique, "Simple Kreation's" by Ka'idah, LLC. I am a God-fearing woman, who wants for her sister's what she wants for herself and is always willing to listen and share experiences and give advice that will uplift others to move forward and have a healthy and productive life for themselves. Case Management mode still carries on in my life.

Often times, I have sessions with my customers listen, and share advice, giving out resources in the community that may assist them. Being a Social Worker and Case Management will remain forever in my life. Other accomplishments: Drug & Alcohol Studies at Rutgers University, Certified Case Manager, Rutgers University, CSW, Certified Social Worker, through the State of New Jersey,

HAMEENAH MUHAMMAD

Hameenah Muhammad mother of one son, and grandmother of 5 beautiful grandchildren. I began my fashion journey being taught by my mom. She taught me and my sister to sew starting with hats, which taught me the basics of sewing. Then she told me if you want new clothes make them yourself. That lit a fire in me & I started sewing for just me for high-school. Moving forward I would get a customer here & there & then my customer base grew from just wearing my clothes. I started vending with my mom whom later opened a store & I began to sew for customers making everything from dresses to wedding gowns. I got my drive from both my parents who are entrepreneurs. I have been in fashion shows of others & my own throughout NJ, NY and the surrounding areas. I love making women look beautiful from head to toe. I thank Allah for this beautiful gift he bestowed upon me & I am forever grateful Masha Allah

Rasheedah Muhammad

Haya Fashions

DESIGNER, OWNER

Rasheedah K. Muhammad and her husband moved to Orlando FL from Newark NJ to make a better life for her family, especially her sons. Rasheedah is the designer and owner of Haya FashionsRM online modest clothing brand based out of Orlando Florida. She has always had a passion for fashion, an eye for colors, patterns and beauty. She was taught how to sew by her mother. Rasheedah's mother once told her; if you want new clothes, you have to learn to make them yourself. Haya which means modesty and shyness. Rasheedah believes the way you dress is inspired by the way you live, being modest in every aspect of your life. Haya FashionsRM has been in business for 8 years. Haya Fashions is an experience where women from all walks of life get and get a modest custom-made garment for any occasion. Rasheedah wanted to do more than design and sell clothes so she started a Young Designers academy where young girls ages 9yrs-18yrs come and get empowered to learn how to sew, design, get inspired to create new things, and learn about entrepreneurship. The Young Designers class has been going strong for 8 years and InshaAllah many more. Alhumdulillah, Rasheedah is dedicated and passionate about uplifting and empowering all women to strive hard and achieve their dreams. She will continue to seek Allah's guidance in every endeavor she explores in her personal and professional life, work hard, inspire others towards what is right and do her very best in this world while preparing for the next Ameen.
