We're helping solve the world's nutrition problems by creating a new category in supplements.

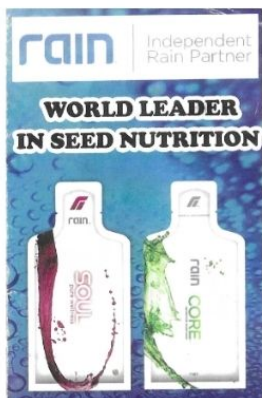

They're based not on one exotic plant while neglecting others but upon the principle that all edible plants have nutrition to offer.

Seed-based nutrition taps into the most concentrated form of nutrition in any plant **_ its seeds**. Our products contain some of the most studied seed ingredients for maximum health benefits.

HELP YOURSELF TO ULTIMATE HEALTH

*Know the Causes, Symptoms, and
Solutions to Optimal Health*

Abdel Jaleel Nuriddin, ND, PhD

A
MUST
READ

You can have all the knowledge in the world, but when it comes to your health, it's all about results.

Abdel Jaleel Nuriddin, owner of Genesis Health and Nutrition Center, draws upon the lessons of the Holy Qur'an to share how we need to change our thinking when it comes to our health. Learn how to

- cease the intake of matter that causes disease;
- detox your body to rid yourself of what's contributing to your current problems;
- replenish your body with lost nutrients; and
- cultivate good habits, such as getting plenty of rest, exercising regularly, and meditating.

He also examines the ideas of healers such as Dr. Bernard Jensen, Victor E. Irons, Dr. Bill Horosh, and others who have promoted cleansing internal organs and using herbs and enzymes to bolster health—effective ways to escape the dark corridors of America's health care system.

Fighting disease is a losing battle, but you'll enjoy positive results when you apply the lessons in Help Yourself to Ultimate Health.

Abdel Jaleel Nuriddin, ND, PhD, a native of Buffalo, New York, joined the Nation of Islam in 1972. He earned a bachelor of arts and master of arts in nutrition and a PhD in holistic nutrition from the American Holistic College of Nutrition in Birmingham, Alabama. He also earned a doctorate in naturopathy from the Clayton School of Natural Healing, also in Birmingham. He lives in Greensboro, North Carolina, where he owns and operates Genesis Health and Nutrition Center, LLC, with his wife, Connie.

Mom, As a family- we know that when you discover something that's important and worthy of your support and attention you passionately give it your all.

You've always demonstrated this as a mom and for the communities (both Muslim and non-Muslim) which you serve.

We know too well the countless hours and loving sacrifice that you have made and continue to make in your individual effort to contribute to the ongoing success of the "TIME TO BE GRATEFUL" annual convention, and your authentic love for the Muslim Journal.

WE are so very proud of you and are eternally grateful to Allah(SWA) for a mother who selflessly works on behalf of FAMILY and COMMUNITY!
