Forbes: Great Speculations

There Will Be an Election If...

- **DJT must survive the next assassination attempt in October**
- **We must all keep our heads above Neptune at 0 Aries**
- **Trump likely to win**

There is a Precedent for a Return to the WH

- **Stephen Grover Cleveland (March 18, 1837 – June 24, 1908) served as the 22nd and 24th president of the United States from 1885 to 1889 and from 1893 to 1897. Cleveland won the popular vote in three presidential elections—1884, 1888, and 1892—and is the only U.S. president to serve non-consecutive presidential terms**
- **He angered both parties by cleaning up corruption, using tariffs, did not fire any government employees who were doing their job well even if they were Reps.**

Why I Use Trump 9:51 AM Birthtime

- **First source was Mom. Jayne said that Mom was usually correct**
- **Lynne Palmer was DJT's astrologer & she used this time**
- **Dined with Trump family members many times in London and Abu Dhabi and they confirmed the time**
- **I rectified the chart**

Pope Benedict 1920...

Peter Making Answer

—Matthew 14:28

ON ONE-WORLD GOVERNMENT

Words of Pope Benedict XV on 25th July, 1920

“The coming of a world state is longed for, and confidently expected, by all the worst and most disordered elements. This state, based on the principles of absolute equality of men and a community of possessions, would banish all national loyalties. In it no acknowledgment would be made of the authority of a father over his children, or of God over human society. If these ideas are put into practice, there will inevitably follow a reign of unheard of terror.”

The above are words which Peter spoke by the mouth of Benedict.
