

November 11, 2022

Greetings Lancaster Families,

Thank you to our AMAZING parent volunteers who came in to help out with our Book Fair this week! It was a wonderful success with profits for our school coming in at just over \$800.00. What a pleasure it was to see so many families attend our Parent/Teacher Conferences. Mutual open communication and support on the home and school front will most certainly benefit our young students and will ensure a positive school experience for everyone. Thank you for the way you partner with us!

This week's large group chapel was focused on Moses and the Red Sea. The children were excited to hear about God's mighty power to perform miracles like walking through the sea on dry ground! The time spent worshiping God through song and prayer was a bright spot in our short week.

Fall Outreach

This month we are partnering with Greensboro Urban Ministries to collect food to help our most vulnerable community members. November is a time to celebrate thankfulness and gratitude for all that God has given us. We encourage you to talk with your children about the items they might like to donate and even take them shopping with you. We want them to know how impactful a small act of generosity can be. There will be collection boxes located at each drop off entrance beginning on Monday November 7 through Tuesday November 22. Thank you in advance for your participation.

Please add these dates and times to your November calendar as our older students prepare to share a few songs and poems with their families. You won't want to miss it! Be sure to check your class newsletters for further details.
