

Norfolk Wind Energy Informational Meeting

**Friday, March 14, 2008 at 2:00p.m.
in the lower level of the Renville County
Office Building in rooms 116/117**

**Open to any person who is interested in
the Norfolk Wind Energy Project.**

*The potential scope of this project will be a 20 to 30 MW
wind farm consisting of 12 to 20 commercial turbines.*

Targeted Area:

*Two sections north & south of 740th Avenue in Norfolk Township and
two sections east & west of Co. Rd. 5 from Co. Rd. 17 to Co. Rd. 19
(map available for viewing on www.renville.com)*

Meeting Objectives Include:

- 1) Provide information to landowners regarding the potential to have wind turbines on their property.
- 2) Provide information to land owners and others about the project.
- 3) Discuss the C-BED concept.
- 4) Provide an overview of the results of the WindLogics Study.
- 5) Provide other information regarding the project.
