No Admission Fee-----FREE WILL OFFERING FOR THE STEAK DINNER

Monday, April 9, at Max's Grill, Olivia

GET THE LATEST ON FARMING IN BRAZIL

Iowa Farmer Dale Opheim is now a 5-year veteran of Farming in Brazil. He's in Brazil right now harvesting his 2007 Soybean Crop. But he'll be at Max's Grill, Olivia, Monday evening, April 9.

The Dinner Meal is scheduled for 6:30 p.m. Cost is \$12 per person. If you really do want to hear first-hand the very latest on the challenges, and perhaps the opportunities, of farming in Brazil, this is the event.

Both events sponsored by ProAg of Renville County in conjunction with the Renville County HRA/EDA Agriculture/Renewable Energy Committee, the Renville County Farm Bureau, and the Renville County Corn/Soybean Growers Association
