

MONDAY, MARCH 12, 2007

THIS WILL BE ONE OF THE MORE INTERESTING DAYS OF YOUR LIFE!

In the Morris area, you will visit the 6,200-cow River View Dairy, one of Minnesota's largest dairy operations, which also features a 150-cow carousel. Next stop is Wulf Limousin Beef, a 3rd generation, 900-cow family business that produces seed stock sold worldwide. Then to Fibromin at Benson, the multi-million dollar facility just starting the conversion of turkey litter into electrical energy. Next, across the road to Randy and Scott Tersteeg's new pelleted fertilizer facility, North American Fertilizer which uses the ash residue from Fibromin to manufacture a new commercial-grade fertilizer. Last stop is Olde Country Vineyard & Winery, Lake Lillian. Just licensed last fall, this newest Minnesota winery occupies the old Lake Lillian public school. It's now a real gem in the ever-expanding Minnesota wine industry.

This schedule means a tight agenda:

7:30 a.m.	Bus leaves from Chatterbox Café, Olivia
9:15 a.m.	River View Dairy
11:15 a.m.	Lunch in Morris
12:30 p.m.	Wulf Limosin Beef Farm
2:15 p.m.	Fibromin, Benson
2:30 p.m.	Tersteeg Fertilizer Facility
4:15 p.m.	Olde Country Vineyard & Winery, Lake Lillian
5:30 p.m.	Arrive back at Chatterbox Café, Olivia

Bus will carry 60 passengers.

Call Duane Remer, Olivia Farm Credit Services, to reserve your seat.
