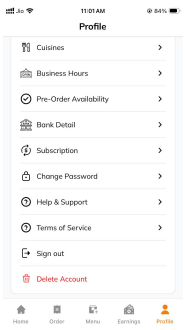
Delete Your Round the Corner Account — Permanent Action

Important: Deleting your account is permanent and cannot be recovered.

What gets deleted

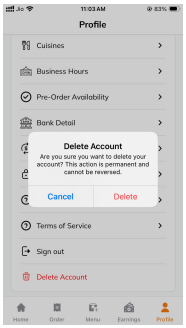
- Your profile & personal data
- Order & activity history
- Bank & payout details
- Any other data linked to your account in the app



Step 1 — Open Account Settings

Open the app and tap Profile (bottom-right). Scroll to the bottom to find the Delete Account option.

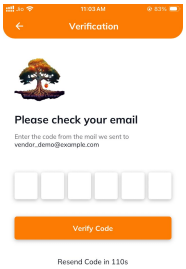
Profile screen showing 'Delete Account' option



Step 2 — Select 'Delete Account' and Confirm

Tap Delete Account. A confirmation dialog will appear warning this is permanent. Tap Delete to proceed. A verification code will be sent to your registered email.

Delete account confirmation popup with Cancel and Delete buttons



Step 3 — Verify & Finalize Deletion

Open the email we sent, copy the verification code, paste it into the app, then tap Verify Code. After successful verification, your account will be permanently removed.

Verification code entry screen with Verify Code button

Before you delete — quick checklist

- Screenshot any receipts/orders you need for records.
- Cancel any paid subscriptions or add-on services.
- Make note of payout/banking details — they will be removed.
- Confirm you're deleting the correct account if you use the same email for multiple vendors.
