ADDENDUM A – Under 9 Competition	9

1. Preamble

Ipswich Basketball Junior Fixture Competition is a junior competition conducted by Ipswich Basketball Association Inc (IBA). The Competition consists of age groups from Under 9's to Under 19's.

The Junior Fixture Competition is set down in two seasons per year, Season 1 encompasses Term 1 & 2 of the Queensland school calendar and Season 2 plays through Term 3 & 4. Finals are held at the end of each season. The duration of the playing season(s) shall be determined by the IBA in conjunction with the JCC.

These rules align with the IBA CORE Basketball Competition Rules.

2. Age Groups and Divisions

- 2.1 Where the age groups are divided into two or more sections, these sections are considered to be separate divisions, with Division 1 being the highest. N.B. Age groups are not classed as 'divisions'.
- 2.2 The Association may choose to combine two age groups to form a composite competition if it is seen to be in the best interests of the association at the time. This may be due to insufficient numbers in an age group (less than four teams) or due to a disparity in ability amongst two age groups. For example, Under 11 and Under 13 Girls competitions may be combined to create a Junior Girls division of under 11-under 13 players. U15, U17 & U19 Girls competitions may be combined to form Open Girls. Where this is done, consideration will be made to retain existing competition nights for the affected age groups.
- 2.3 Clubs are expected to accept responsibility to share the talent between all of their teams in the same group or division so that there shall not be a particularly strong dominant team. This is to encourage development of all players to provide a strong, healthy competition.

3. Player Eligibility

- 3.1 Players must be under the nominated age, until the 31st December of the current year.
- 3.2 All players **MUST** be registered with IBA **BY 3PM OF GAME DAY** to be eligible to play their first (1st) game in any season. IF a player's name is not entered or uploaded on the scoring system and is added to the scoring system for whatever reason, the player's IBA registration number must be provided. All players will not be able to participate in a game if they arrive at the completion of the first half.
- 3.3 A player shall not be eligible to play in an age group lower than his/her actual age group unless WRITTEN approval has been obtained from the General Manager of IBA via form [FM-07 Player Dispensation Request](#). On being granted the privilege to play in a lower age group, the player and affiliated club must accept that IBA can reverse its decision should the need arise.
- 3.4 Players are not permitted to play concurrently for two or more different clubs in any one season regardless of the age group.
- 3.5 Any player wishing to transfer from one club to another, shall not be permitted to do so without providing a written clearance to IBA from the former club. On clearance being granted players who transfer after playing one or more games for the former club, will sit out two competition games before playing with the new club. Clearance forms are available from IBA office.
 - If a clearance is not gained, any games in which the uncleared player has participated will be declared a forfeit, this includes if the player did not sit out the two competition games.
 - Transfers between clubs are not allowed after the season commences, unless the player has not played any games in that season for the former club.
 - If a player was financial with their previous club/team and 2 years has expired since they

- last played a clearance is not required for another club/team. The onus is on the club/team to prove their claim if it is disputed.
- Clubs should expedite such clearances in order to prevent unnecessary delays to this process.
 - All players should be allocated into teams by Round 3 of the competition unless the player is a brand new registration to IBA.
 - All players must be registered before the fourth last round of fixtures and have played three games to be eligible for finals
- 3.6 No player is entitled to play for more than one team in any single division.
- 3.7 Players are not permitted to play in more than one game running concurrently (i.e. change games during the one time slot).
- 3.8 In the interests of player development and the development of Ipswich Basketball, players who are members of a representative team of the SQJBC competition must play in division 1 of their age group if they are genuinely at division 1 level and division 1 is offered in the respective age group of the IBA junior competition. Exceptions are when the player is given approval by the General Manager to remain in division 2, or when there are combined age groups such as Open Girls (15/17/19 years).
- 3.9 Players are only eligible to fill in for teams on competition nights if the team is effected has less than five (5) players under the following guidelines;
- The fill in player is not currently playing within the same competition.
 - Fill in players must belong to the same club of the team that they are filling in for.
 - The fill in player must be from a lower division playing up in a higher division OR they are a player from a younger age group.
 - Each team has only three opportunities to use the above scenario throughout the season.
 - To add a fill in player, the team MUST complete the form [FM-04 – Player / Coaching Staff Change](#) by 3pm of the competition day they require the fill in player participate in.
- 3.10 Games played in any division of the senior competition shall not affect the eligibility of any junior player for any age division of the junior competition.
- 3.11 Players can join the competition at any time but clubs/teams are responsible to fully explain the situation to new players when the number of games remaining will not allow that player to qualify to play in the finals.

PENALTY: Unless specifically mentioned above, any infractions of the above rules shall result in forfeiture of such games in which the infraction(s) was /were found to occur.

4. Finals Eligibility

- 4.1 Players must play a minimum of 60% of eligible games in a team to qualify to play finals for that team. In the case that 60% would not be a round number then the total will be rounded DOWN (ie 5.6 games becomes 5 games). Grading games will be excluded from this calculation.
- 4.2 “Actual played” is interpreted as per the FIBA rules.
- 4.3 Ineligible players from a younger age group or lower division may sit on the bench for finals, provided they have played the minimum number of games to be eligible for their own age/division. Such players may only enter the game if an eligible player is fouled out, suffers an injury or must leave the court due to a ‘blood bin’ situation and no other eligible players are able to take the court. In case of an injury or ‘blood bin’ situation, the injured player may return to the game by replacing ONLY the ineligible substitute, and not any other players.
- 4.4 Forfeits and byes are not considered eligible games.
- 4.5 Position on the ladder at the end of the fixture rounds will be Final.
- 4.6 Playing / Competing in a BA / BQ/ School State or National BASKETBALL Tournament who would otherwise have been fit and available to take the court in their Junior Competition Fixture game can seek exemption for the amount of games missed during these competitions
- 4.7 It is the responsibility of the Club / Team to ensure that their players meet rule 4 not IBA.
