## WELCOME PACK

Welcome to Derbyshire Academy of Performing Arts!

We are proud to be a family-feel school where every student is encouraged to be themselves, free from pressure or expectation. Here, you can be who you want to be, express yourself fully, and grow in confidence in a supportive and welcoming environment.

At our academy, we celebrate individuality—embracing each other's differences, supporting one another's achievements, and recognising every talent. Whether you're stepping onto the stage for the first time or developing your skills further, you'll be surrounded by encouragement and positivity.

We offer exciting performance opportunities with 2 shows every year which all can be involved with if they wish, West End workshops, trips to London and the theatre, and fun social events and parties. It's not just about performing—it's about building friendships, creating memories, and enjoying every step of the journey.

Our excellent, experienced teaching staff bring years of industry knowledge and passion, helping every student reach their full potential. As a multi award-winning school, we are dedicated to providing high-quality training in a nurturing and inspiring environment.

Derbyshire Academy of Performing Arts is more than just a school—it's a place to belong.

We can't wait to welcome you!
