

Notice of Upcoming Road Construction

Upcoming 2027 Construction on School Street

Dear Property Owner:

This letter is to notify you that construction is planned for School Street in 2027.

The Selectboard will be discussing this project in more detail at the next Selectboard workshop on 10/14/2026 at 6pm.

The project is expected to include drainage improvements, road reconstruction, paving, and shoulder repairs.

During construction, residents and property owners should expect temporary traffic delays, construction noise, and dust. Access to homes and businesses will be maintained whenever reasonably possible.

If you have questions or concerns regarding your property, please contact Aaron Wedgewood at 207-256-7307 or awedgewood@portermaine.org. Additional updates will be provided on the town website.

Thank you for your patience and cooperation while this important work is completed.

Sincerely,

Porter Selectboard
