

NOTICE:

Election: Friday, March 27th 4-8PM

Town Meeting: Saturday, March 28th 9AM

The Selectboard approved moving the dates out by 2 weeks. The dates will now be the 4th Friday and Saturday of March rather than the second. This gives the auditors 5 weeks rather than 3 weeks to prepare the short audit for the annual report. In the past it has been a challenge to turn-around the report in a short amount of time, and with good numbers. Last year, we had to really push for the short audit which is very informative, rather than get a one-page letter from RHR Smith.
