UPDATE Paving Notice

The town will commence paving and shoulder work on the following roads starting November 4/5. Duration is expected to be about 5 days.

This list is not exhaustive. Additional streets will likely be paved in 2026.

First County Road (the gravel section)

Colcord Pond Road (upper)

This road will be paved in a single 16 foot swath rather than two 8 foot swaths. It will save money and eliminate a seam in the middle of the road.

The road will remain passable but there may be delays.

Paving on this section should only take one day.

Top coat on:

Old Meeting House Road

Spec Pond Road: Upper

Spec Pond Road: Lower

(Top coating is expected to extend the life of the road by 5 to 7 years)
