PTA improves the educational experience of our children.
We could all use that right now.

STAY CONNECTED

In school, distance learning, homeschooling, you can still join the PTA!

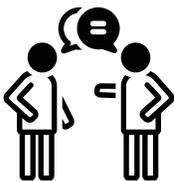

STAY INFORMED

Monthly meetings to discuss school business. Timely notifications of upcoming events.

MAKE FRIENDS

Meet new parents and get to know teachers and administrators. Help with fun community events.

ADVOCATE FOR YOUR CHILD

What is important to you? Bring it up with your PTA. Use the PTA to help find answers and solutions.
We are stronger together.

ADVOCATE FOR EDUCATION

Local, state and national PTA leaders advocate for education at all levels. You can too!

VOLUNTEER

There are so many ways to get involved. The more the merrier! And we want to include you if you express interest. We want you!

2020-2021 SWES PTA Officers

Jodi Johnson
President

Megan Bocci
VP

Kate Steele
2nd VP

Greg Gokey
Treasurer

The 2020-2021 SWES PTA is focused on children and family programs and initiatives to strengthen your child's education and the family-school partnership.

We want you to know:

- You and your student matter.
- We value all our families and the many different communities you represent.
- Your membership is your vote. We want you to have a say in the PTA.
- We will be focused on the issues, the children, and the community.
- If you want to help, we want you here. If you can't help, it is ok. Joining the PTA helps.

This year is going to be unique! We're all in this together.
