- Technology software and supplies \$8,000

- Classroom Enhancement Materials: such as weekly readers: also teachers are spending significant amounts of their own money throughout the year to buy basic things that they needed to enrich the lessons such as noodles, sticky putty, popsicle sticks, etc., so we want an educational enhancement closet that would be stocked with these materials at the school so the teachers could go in and get them as needed: \$2,500 budgeted

- Questions:
 - Krisi Moore: How much does the Attraction Guide normally bring in per year? A: Around \$2,500
 - Casey Lloyd: What is the percentage of families who joined the PTA have membership? A: in past years, parents and teachers combine of up to 200 (<20%?).
 - Emily Barnes: Is it accurate that we categorize the Home Depot Grant as cash? A: Yes, it will for taxation purposes. Since the Home Depot funds come in the form of a gift card, we will consider it as cash.
 - o Home Depot Project on 08/17-08/18/2022
 - Emily has purchase receipts to send to Jodi; \$568.88 remaining on the Home Depot
 Card to spend at Home Depot throughout the year
 - PTA can use the remaining funds to:
 - Refresh flowers seasonally
 - Monthly family/community events: laying mulch
 - Bus lot painting (rollers, parking lot paint, etc.)
 - Casey Lloyd: What is the money for the Spice Grant required to be spent on? A: Rachana plans to attend the first teacher meeting and ask teachers if a projected list will satisfy their needs for DEI resources
 - Mariana: From which line item in the budget did we get the student planners? A: Family Student Programming

• Why did we choose to get planners only for upper, and not lower grades? A: Teachers have suggested that the calendars have not been popular academically for the lower grades. Also, there was conversation amongst the teachers, and K1-2 teachers are not seeing the need for it. The school will use class Dojo as means of class and teacher communication.

Action Items:

- Brandi will send a post informing community that there will be no Attractions Guides this year
- Emily and Jodi to follow-up about Money Minder categorization of Home Depot grant/cash.
 Also, to compile summary of products purchased to assist with inventory and Gift Card balance/usage.
- Rachana will continue to reach out to sponsors and can use help with this. We need to secure these sponsors quickly, as we should order T-shirts soon to have all participants accounted for. There is the hope that the platinum sponsors will participate again this year. Contact Brandi if available to assist.

Notes

- Currently planned: multi-cultural event both in Fall (October) and one in the spring
 - We could increase this to a monthly event (TBD)
 - Clarification: four events, one each quarter
 - The committee could move the Fall Multicultural event could be nearer September;
 but we should consult the calendar to prevent overlap or conflict
- O Quorum: sixteen members present
 - Vote to Approve 2022-2023 PTA Budget
