

# Erie Gymnastics Center & Team Lightning

Boosters

Proudly Present

Schedule & Information Packet

Dear Coaches, Parents, & Athletes,

Erie Gymnastics Center & the Team Lightning Booster Club are Proud to be the 2021 Host of the PA Level 4 State Gymnastics Championship! We congratulate all of the amazing Athletes who have qualified to this prestigious event! We welcome you all to Erie and hope you enjoy your stay.

Due to the ongoing Pandemic, there seem to be almost constant changes in Local, State, and National rules & policies concerning Mask Mandates, Capacity Limitations, Admissions.... We are working with our Erie County Department of Health, the Bayfront Convention Center, the Erie Sports Commission & other agencies to Host a safe & successful competition. As a result of the dynamic & ever changing conditions, we are utilizing our website: <https://eriegymnastics.com/level-4-state-info> — to bring you the most current & up to date information on the competition. Please monitor this page for any possible updates.

- COVID PROTOCOLS: Please familiarize yourself with our current Covid Protocols for both Spectators & Athletes.
- FACILITY: Bayfront Convention Center— 1 Sassafras Pier, Erie, PA 16507 — North Hall
- ADMISSIONS: Currently we are NOT limiting the number of Spectators per Session in that we have limited the number of Athletes in each session. By doing so, we do not anticipate that we will come anywhere close to the 'capacity limitation' of the Bayfront Convention Center facility. ALL—Admissions will be CASH ONLY — Adults: \$10 / Child: \$5.00
- HOTELS: Included on the webpage are links to our Host Hotels. Please realize that we set up blocks (taking ALL rooms they would offer) with the Host Hotels. However, many families anticipating a stay in Erie block the entire weekend with the intention of releasing unwanted rooms shortly prior to the event. Once our blocks are reading full, the hotels will continue to sell rooms— as available —however at a higher price. We have no control over that! If you need a recommendation for a different Hotel, please let us know.
- THINGS TO DO: Please enjoy your weekend in Erie. and a 'Things to Do' page. Realize that some activities are Seasonal and/or currently restricted due to Covid.
- State Championship T-Shirts are available for sale at the Meet.
- Action Shots Photography will be taking Professional Pictures for sale as well at the Meet.
- Equipment is provided by Sports Equipment Specialists— predominantly AAI—Bars / Beam / Floor
- Age Groups will be approved by the State and made official prior to the Competition.
- ALL COACHES must be Registered on both Meetmaker & USAG Reservations systems.
- Meet Format—Non-Traditional Modified Capital Cup—2 sets of equipment—will Warm-up & Compete on the same Equipment.

Once again we congratulate you & your athletes for qualifying and look forward to seeing you May 8th & 9th.

Meet Director

Douglas Pershun
