Ramadan Mubarak

Ramadan is the ninth month in the Islamic calendar, observed by Muslims worldwide as a blessed month. It follows the lunar calendar and lasts 29 or 30 days, depending on the moon. During this month, Muslims who are able to, fast from sunrise to sunset and focus on acts of kindness, generosity and helping those in need. While young kids are not expected to fast, they are encouraged to participate by practicing good deeds. Many families in our school will be fasting, making it a great opportunity to learn about and celebrate these meaningful traditions. Ramadan ends with Eid Al-Fitr, a joyful celebration with food, family, and community.
