  - Next Committee Meeting will be on July 19 at Anitra's House
- Spirit Wear
  - We are considering changing vendors and Stephanie is researching options
  - Notes on this year: \$1500 raised for PPC Budget this past school year and one benefit of current provider is not having to hold our own inventory because gear is made on demand
- Sound System Update

- Morgan is working on purchasing it as previously voted on and budgeted. The current sound system is not strong enough for the outdoor events we have with the entire Pioneer student body.
- Bylaws
  - Brief discussion about next steps for proposed bylaws updates - Angelica, Stephanie, Kacy, and Morgan will meet to bring the proposal to the next meeting
- Shed Update
  - The larger one is more organized, but could use more work still. One is tricky to lock because it's broken. Might want to budget for a replacement for that shed; Jenn will research in advance of budget process
