### *School Counselors Week*

Our awesome school counselors, Mr. Smith and Ms. Abad, play a vital role in creating a supportive and welcoming environment for all students. They are here to help students grow academically, socially, and emotionally, ensuring they feel safe and confident to succeed in school and beyond.

Here are some ways they support students:

- Listening and Guidance
- Building Skills
- Academic Support
- Future Planning

School counselors help every child shine. We celebrate the important work they do for our students!

Thank you  
Mr. Smith and  
Ms. Abad!

## Ramadan Mubarak

Ramadan is the ninth month in the Islamic calendar, observed by Muslims worldwide, and is viewed as a blessed month.

Ramadan ends after 29 or 30 days, depending on the moon. The start of Ramadan depends on the lunar cycle, it starts with the sighting of the Young Moon and ends with a New Moon. Ramadan will come to an end with Eid Al-Fitr, called 'the Festival of Breaking the Fast'. It remembers the month that the Qur'an (the holy book for Muslims) was originally revealed to the Prophet Muhammad. Those observing Ramadan (who are able) will fast daily from dawn to dusk.
