**Subject:** Work Request [REDACTED] (Pending Municipal Inspection) - [REDACTED] Manlius  
NY 13104

This is just a reminder that your work request [REDACTED] for [REDACTED], Manlius NY 13104 is pending a Municipal Wire Inspection. The work request will not progress until the inspection is called in and cleared in National Grid's system.

If this job has already been inspected please follow up with the wire inspector's office to have them clear the inspection with National Grid.

National Grid now has a portal to check the status of open electric work requests. You can search a work request to see the status, or set up a login to view all work request associated with your email.
