## Staff Highlights

Canal Winchester Human Services has been truly blessed with three incredible individuals who dedicated their time to doing much more than just providing rides for our local senior citizens. Greg, Dan, and Joan became the listening ears that some needed, the shoulders that others could lean on, the reason for many to smile and laugh, and, most importantly, they became special people in the lives of everyone they encountered.

They will be greatly missed. We cannot say "THANK YOU" enough for everything you have done for Canal Winchester Human Services and for all the people we serve. Individuals like you are hard to find in the chaos of the world, but your amazing hearts shone brightly, and for that, we will forever be grateful.
