

FEEDING OUR FUTURE - School Program

Academic School Year 2026 - 2027

The CW Human Services runs the *Feeding Our Future* program which distributes bags of food to students at school who would benefit from extra food over the weekends and during holiday breaks throughout the academic school year. The weekly bags will provide a variety of non-perishable foods that may include but are not limited to granola bars or crackers, individual pastas, peanut butter, boxed meals, fruit cups, rice, etc.

To enroll in this program, you must meet the following criteria:

- The Program is available to students, Pre-K through Middle School and attending school. Parents of high school students are encouraged to contact the Food Pantry at 614.834.4700 for assistance.
- Must complete all parts of the registration form attached
- Must submit registration form to CW Human Services (**Do NOT** return application to CW Schools)
- **Families must understand the bags will be distributed at school each week on the designated day for each building to the child.**

(The school buildings provide a private and easy pick-up process)

****Once the registration form is received, participation will be effective immediately and it is anticipated the student will begin receiving the bags within approximately two weeks.**

****Please make sure to fill out the form in its entirety. We will not be able to process it until it is correctly filled out. Make sure the homeroom teacher is provided, if you do not know who the teacher is please wait until you do.**

Feeding Our Future is possible thanks to funding provided by United Way of Fairfield County, Meijer SIMPLY GIVE program, and collaboration with several local churches and civic organizations.

We all know that students will learn best when their basic needs are being met. If you need this service, we encourage you to sign up for this program. Please take advantage of this blessing.
