

## The High-Level Sacred Space Promise

I, Brandy Yavicoli, hereby promise to hold High-Level Sacred Space by providing a safe energetic environment, adhering to the following principles, and practicing them to the best of my ability:

- ❖ Honoring Energetic Boundaries
  - ❖ Active Listening
  - ❖ Non-Judgement
  - ❖ Setting Aside Spiritual Ego
- ❖ Your Session is About You (Not Me)
  - ❖ Managing My Own Triggers
  - ❖ Doing My Own Work (Separately)
- ❖ Supreme Confidentiality (No Grey Areas!)
- ❖ Not Giving “Advice” - Sharing Helpful Spirit-Led Communications/Recommendations Where Appropriate Only
  - ❖ Impeccable Practitioner Ethics
- ❖ Coming from a Place of Unconditional LOVE

This is a living document - let me know how I can best hold High-Level Sacred Space for your journey. Looking forward to working with you!
