

CLAY WATER DISTRICT  
GROUNDWATER SUSTAINABILITY AGENCY

NOTICE OF MEETING ON

PROPOSED GROUNDWATER SUSTAINABILITY FEE

NOTICE IS HEREBY GIVEN that on Tuesday, July 20, 2021, at the hour of 10 a.m., or as soon thereafter as the matter may be heard, the Board of Directors of the Clay Water District, acting as a groundwater sustainability agency in the Cosumnes Subbasin, will hold a public meeting at the Herald Fire Station, 12746 Ivie Rd., Herald, California, to consider the following matter:

Proposed levy of a groundwater sustainability fee (the “Groundwater Sustainability Fee”) to fund the costs of a groundwater sustainability program in the Cosumnes Subbasin, including, but not limited to, the implementation of the Cosumnes Subbasin Groundwater Sustainability Plan, fund associated groundwater management activities, and meet the requirements of the Sustainable Groundwater Management Act.

The Clay Water District GSA proposes to levy the Groundwater Sustainability Fee on all irrigated land within the Clay Water District GSA area within the Cosumnes Subbasin.

The Groundwater Sustainability Fee would be charged in the amount of \$10 per irrigated acre of land for fiscal years 2021-22.

Data upon which the proposed Groundwater Sustainability Fee is based may be obtained from the Clay Water District online at [www.sscawa.org](http://www.sscawa.org).

All interested persons are invited to present their views and comments on this matter. Written statements may be filed with the District’s Chairperson, Gary Silva Jr., at any time prior to the close of the meeting and oral statements may be made at the meeting.

Dated/Published: June 30, July 7, and July 14, 2021
