## Strength in Weakness?

*“Therefore I am content with weaknesses, insults, hardships, persecutions and calamities for the sake of Christ; for whenever I am weak, then I am strong.”*  
(II Corinthians 12:10)

I was talking recently with one of our church elders about the trials and tribulations my family has been experiencing over the last few years. We’ve had a rather full plate: Cancer, the loss of two parents and a brother-in-law, my mom’s precarious health, panic attacks, worries about our grandson’s heart, and general concerns for all of our kids. I was beginning to feel that all of the troubles were threatening to become a drag on the congregation. “I just don’t want my problems to be a distraction,” I said. “Our focus needs to be on Christ.”

“I think you’re looking at it the wrong way,” he suggested. “Those things make us able to relate to our pastor more. You are demonstrating how to walk with faith through the stuff that life throws at all of us. We appreciate your example of staying close to Jesus in the midst of it.”

That encouraged me. I freely admit that, even after being in ministry for over thirty years, I still don’t have a fully satisfying answer as to why we go through so much suffering. But one thing I do know: the ills of life are made more bearable through a relationship with God in Jesus Christ. “I don’t know what I would do without my faith in Jesus,” is something I have often heard expressed over the years. I agree. It is a sentiment I share. I sometimes feel like God may not make life easy, but He does make it possible.

If you are struggling and feeling overwhelmed by the cares coming your way, I don’t have any easy answers or quick fixes to offer you. But I can share a testimony that life is infinitely better with God in the thick of the mess *with* you. Our problems don’t disappear when we come to Christ – indeed, we may still walk through the valley of the shadow of death, but we never do so alone. We need fear no evil, for God is with us; His rod and His staff shall comfort us. He is our Shepherd through all of life’s trials. Amen!

*Pastor Jon*

It measures 43-1/4" wide by 61-14" high and 55" deep with 18" wide doors on both ends. The roof is hinged and can be lifted on both sides. With some modifications it could be repurposed as a chicken coop, large dog house, small playhouse or used for storage. We're asking \$150 before offering it on marketplace. ### ***WE NEED VOLUNTEERS!***

As our regular programming starts up again this fall, we are in need of people to help with children's and youth ministries:

- On Tuesday evenings, starting September 23, and occurring on the 1st and 3rd Tuesdays, we need one person to help with nursery/preschool/elementary kids, and one volunteer to help with the youth kids from 6:45 to 8:00pm. The sign-up sheet is in the narthex. Please consider picking one day out of the seven this fall to serve.
- Our Friday morning Mom's Bible study will be starting up again on September 5. These will occur from 10 to 11 AM on the first and third Fridays. We have a large group of children, ranging in age from 18 months to middle school that needs adult supervision. Please consider picking one or two Friday mornings to help out if you are able.

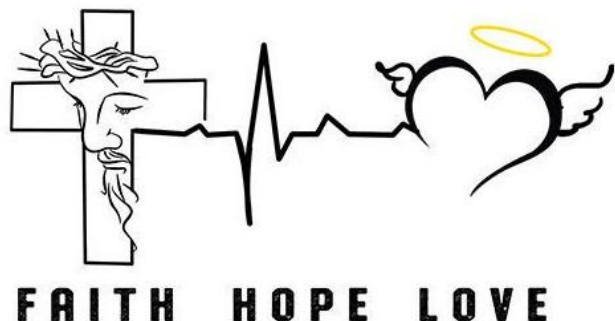

### ***"Faith, Hope and Love"***

Science Hill Community Church, 12316 Beeson Street, is pleased to offer a free Teen "Escape Church" on Saturday, November 8. This all-new experience builds on last year's successful event.

Over the course of an hour, youth and young adults will be challenged to work together to solve a series of fun puzzles leading them through three separate escape rooms. Along the way, they will learn about the enduring biblical qualities of Faith, Hope, and Love.

At the conclusion, free refreshments, including pizza, will be served. Staggered start times will run from 6 to 9 p.m., but timed reservations are required in advance.

Contact the Science Hill Community Church office at 330-823-3439 or [office@sciencehillcc.org](mailto:office@sciencehillcc.org) to sign up and reserve your time. Escape Church is geared for middle school and high school students.

*In the biblical text of I Corinthians, "faith, hope, and love" refer to the foundational, enduring virtues of Christian life, with love being the greatest. Faith is trust and belief in God, hope is the confident expectation of future promises, and love is a selfless, patient, and enduring godly affection for God and others. While faith and hope are essential and will continue, love is considered the supreme virtue because it is the very character of God and the ultimate fulfillment of His will, binding all things together eternally.*

## THANK YOU NOTES IN THE MAIL AND MISC. INFO ...

**CAREGIVERS GATHERING:** Their next gathering will be Wednesday, October 1, 2025.

**THE TOOLBOX: A Men's Ministry:** Area men are invited to gather and enjoy breakfast, fellowship and a program on the first Saturday of each month from 8:30-10:00am. Meet them at Robertson Heating & Supply, 2155 W. Main St., Alliance. The next dates are September 6<sup>th</sup> and October 4<sup>th</sup>. For more information, please see Craig Reay or Pastor Jon.

**DONATE YOUR POP TABS:** This initiative is good for Ronald McDonald House families, local organizations and the environment. We can all do a little to make a big difference in our community! *Our container is in the area where the food is collected for the Salvation Army.*

### **How do pop tabs help the Ronald McDonald House?**

They are taken to be recycled in exchange for dollars for our Family Fund, which provides items for families that use RMHC NEO programs. They offer assistance in emergencies, lodging, travel, clothing, hygiene and help to give families special moments – like providing small birthday gifts for children.

**NEW ADDRESS:** Dorothy Oyster, Crandall Medical Center, Room 267, 800 S. 15<sup>th</sup> St., Sebring OH 44672

**CONGRATULATIONS!** to Jimmy and Bethany Campbell in the birth of their son, David Everett Campbell, born on August 2, 2025. Grandparents are Pastor Jon and Debbie Truax. What a miracle and a blessing! We will keep praying for him!

### **A NOTE FROM YOUR CUSTODIAN: Elizabeth Courtwright**

I appreciate the opportunity to serve Science Hill Church. Generally speaking, this congregation does a great job keeping things tidy, which is well appreciated. We have a challenge with waste, however, which I'm sure is not the intention of anyone! Thank you to whoever manages the recycling bins! As a reminder, they are located under the tables in the Science Hill Room for plastic bottles, cans and paper. These items should not be placed in the trash cans, please. One area the church could easily reduce waste is to use real dishes. The kitchen is well stocked, and/or potlucks could perhaps include the reminder to bring one's own tableware to be washed at home. In three months, the church threw away over 150 plates and bowls, over 100 plastic cups, and many plastic table covers. Let's see how Science Hill can improve their stewardship of this wonderful world we live in! Thank you.
