Ghost Tours of Science Hill?

Welcome to the spooky season. Halloween decorations start going up shortly after Labor Day. Skeletons, zombies, and monsters of all shape and sizes will soon be populating your neighborhood, if they haven't already. (Personally, I would rather just skip all that and get to the candy!)

Along with Halloween come the haunted attractions: houses, woods, fields, hayrides, and factories of terror. One of the more recent fads at this time of year is the "Ghost Tour." Many touristy towns and infamous locations advertise them. From what I hear, a guide shares the history of a location and its people, along with stories of haunting. Probably not a great Christian thing to do.

But I did have the idea recently to capitalize on this trend and offer "ghost tours" of Science Hill! After all, some churches do variations on haunted houses and use that opportunity to get people to think about the afterlife. For our "ghost tour," we could take visitors out to the backyard and talk about the cemetery from the 1800s there where dozens of early church members were buried. We could then go inside and talk about how our church building has hosted generations through the years and held countless funerals.

But the grand finale of any "ghost tour" of our church would be a discussion of "The Holy Ghost!" He is a living reality of our congregation. He inhabits not the walls and hallways of our building, but the hearts of our members. Our very bodies are temples of the Holy Ghost. Nowadays we call Him the Holy Spirit, but He is still the main attraction.

You may not take someone on a "ghost tour" of Science Hill, but don't forget to always include the Holy Spirit when you introduce someone to our church. He is the unforgettable centerpiece of what it means to live as a Christian in the world. And He dwells in us!

Pastor Jon

Children's Ministry News

By Holly Swegheimer, Director of Children's Ministry

We have been learning the Armor of God from Ephesians 6:10-18 this month in the Children's ministry. In Sunday School, we are discovering about who God is to us, learning about the end of Jesus's ministry and what comes next for the disciples and followers. Tuesday night, we are studying the book of Genesis after a delicious meal. It is a time of learning, playing games, doing crafts, and fun activities.

In a couple of weeks we will be having Homecoming on October 11th. There will be a fun time from 9:30-10:00 am where the kids can join in an autograph scavenger hunt, a trivia contest, and a coloring contest. We will be having Jr. Church that day but not Sunday School. Please be aware that there is a free meal at Mount Union right after the service.

It is very exciting to see the children continue to learn about our Lord and Savior and how we are to live for Him. Thank you for this opportunity to serve the children.

-Blessings, Holly

Tuesday night Bible Study (also known as Community Connection) is in full swing on most Tuesday evenings from 6-8pm. We begin with a free fellowship supper where the main course, beverages, and dinnerware are provided, and participants are encouraged to bring a side dish, dessert, or freewill offering to supplement the meal. After dinner, we break into groups.

The children head upstairs with Mrs. Swegheimer, and the adults stay in the Fellowship Hall. This fall we will be studying the last book of the Bible, Revelation. Our first night will begin with pizza, and friends are most certainly welcome to join us anytime. Hope to see you there!

A business was in collapse, bills piling up and a sense of worth was deeply shaken. Then the answer showed up in a very unexpected guest ... a battered stray donkey.

See how a wounded creature dismissed as "worthless" taught a family some valuable lessons about identity, value, perseverance, and seeing purpose in life's detour moments.

Discussion will be Thursday, January 7, 2027 at 6pm.

Books are available on Amazon, Thrift Books, and from Laura Courtwright in October.

Dear Church Family: I wanted to thank everyone for the help with the funeral luncheons for Blanche Moore and Tom Linerode. I know the families really appreciated the meal, and we were able to bless them so much. I wanted to thank all of you as well for all the hard work preparing food, helping serve, clean up, and for your prayers. I couldn't do this without you. You are appreciated. - Blessings, Holly Swegheimer

You sent a lovely condolence card when my husband, Patrick Milo, passed away on February 28, 2026. Now 6 months later on that anniversary I got another remembrance from your church. Thank you. I don't know how we know you or vice-versa, but your prayers are very much appreciated. -Helen Milo (Wadsworth, OH)

Acme Cash Back is going on now. If you have an Acme receipt with Cash Back dollars at the bottom, our Grange and AARP group would love to have it to receive money for their organization. The program started August 1st and goes through February 2027. Thank you so much! You can give the receipts to June Truax.

DONATE YOUR POP TABS: This initiative is good for Ronald McDonald House families, local organizations and the environment. *Our container is in the area where the food is collected for the Salvation Army.* **How do pop tabs help the Ronald McDonald House?** They are taken to be recycled in exchange for dollars for our Family Fund, which provides items for families that use RMHC NEO programs. They offer assistance in emergencies, lodging, travel, clothing, hygiene and help to give families special moments – like providing small birthday gifts for children.

SIGN-UP Sheets for Volunteers in the Science Hill Room

We are so appreciative of any time you may be able to give to serve Science Hill Church. There are several clipboards of opportunities for you to consider, such as:

- Sunday servers: liturgist, bell ringer, children's message, refreshment time, greeters, ushers, acolyte
- Tuesdays Community Connection: attending a class, nursery help, teaching assistants for children, providing a food item for the meal or a side dish
- Last-minute tickets available for the Amish Country "Elijah" show and dinner on October 17th. Call the church office if you are interested.
- Upcoming: bake sale, soup day orders, cookies for cookie day sale, Book Club, Lunch & Learn
- Do you like electronics and computers? Would you want to learn how to run the sound equipment in the balcony on Sunday mornings? If so, please see Pastor Jon or Derek Swegheimer for information.
- Committees: There is a listing of Science Hill Committees on the bulletin board in the narthex. Does something jump out at you that you are interested in knowing more about? Please see Pastor Jon.

As each has received a gift, use it to serve one another, as good stewards of God's varied grace: whoever speaks, as one who speaks oracles of God; whoever serves, as one who serves by the strength that God supplies—in order that in everything God may be glorified through Jesus Christ.
