5. Review Job Descriptions and Salary Ranges

Johnson noted that the organizational assessment, from Ancel Glink, included a comparable with other centers, and

most seem to have Director and two managerial/ administrative employees under them.

Rothert suggested both titles being “Managers”.

Madsen noted, if it is a “Manager” they have to understand that they are doing the work rather than overseeing the work. They would be processing payroll and financials.

Leibovitz asked if any would be union positions.

Madsen confirmed, they would all be non-union positions.

Vitas mentioned bringing back a different table of organization while potentially tying it out to the 12-hour discussion.

Steve Seiver made a motion to bring back agenda item’s #4 (Table of Organization) and #5 (Job Descriptions and Salary Ranges) to the next meeting. Jerry Leibovitz seconded the motion, all in favor, the motion passes.
