HIGH IN TRIAL. Only teams who participate in the same difficulty level in all elements offered (Container, Interior, Exterior, Buried) and qualify in each are eligible to win High in Trial. One High In Trial winner is chosen per difficulty level. The High in Trial is determined by adding the team's faults across the elements. If there is a tie based on faults, then the team's times across the elements will be summed and the faster-finishing team will win. The High in Trial award is not recorded by the AKC. Teams winning High In Trial will earn a ribbon.

Title Ribbons: Available to teams finishing a Level and/or Element Title

SAFETY, BEHAVIOR and LIABILITY The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The American Kennel Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The American Kennel Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the American Kennel Club or any official thereof.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

Dogs must maintain a 6ft distance from any other dog. DOGS MUST BE ON LEASH at your vehicle or taking to/from testing.

REFUNDS No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. Dogs pulled after closing because of injury or other medical condition are not eligible for a refund. Bitches in season will be refunded the full entry fee. Notification in writing must be given to the trial secretary no later than one half hour prior to the start of the first class of the day of the trial.

RINGSIDE Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

EXHIBITOR CHECK-IN: At check-in you will receive your run number. Exhibitors **MUST** check-in **EACH** day they are entered.

DOG ELIGIBLE TO ENTER

This trial is open to all dogs SIX (6) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number or approved Foundation Stock Service (FSS) breeds are eligible to participate.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word “dog” is used in these regulations it includes both sexes.

Condition of the Dog. Dogs with physical challenges (including amputees) are eligible to participate provided that, in the opinion of the judge, they display no signs of physical discomfort and can safely complete the search. **Dogs with bandages, sutures, or visible wounds are not eligible.** Deaf dogs and blind dogs are allowed to enter. Dogs that are both deaf and blind are able to participate so long as the handler is in control of the dog at all times, the dog can complete the requirements of the class, and the dog does not appear to be under undue stress in the opinion of the judge.

Bitches in heat Per Chapter 2 Section 4 in the AKC Scent Work rule book – **“Females in season may NOT participate.”** Should it be discovered your female is in heat at the trial, you will be dismissed without refund and a report will be filed with the AKC for unsportsmanlike behavior. Should it be reported to the TRIAL CHAIR by another competitor, your dog will be checked.

Update from AKC related to car crating:

At its July 2026 meeting, the AKC Board of Directors approved a new policy and related disciplinary changes to strengthen protections for dogs at AKC events.

The health, safety, and wellbeing of dogs are at the heart of everything AKC does. In recent months, several incidents involving dogs left unattended in vehicles have resulted in dangerous situations and, in some cases, tragic outcomes. As temperatures rise and these risks increase, the Board determined that additional safeguards are necessary to help prevent future incidents and reinforce the shared responsibility of exhibitors, handlers, and owners to ensure every dog's safety.

Effective immediately, AKC's new **Unattended Dogs in Vehicles Policy** prohibits leaving dogs unattended in vehicles that are fully enclosed or do not have adequate ventilation and airflow. Simply having fans, air conditioning, temperature monitors, remote alerts, or other electronic devices does not, by themselves, make a vehicle safe for an unattended dog. Owners and handlers are responsible for ensuring dogs are kept in conditions that protect them from heat-related illness, distress, injury, or death.

Violating this policy is considered conduct prejudicial to the best interests of purebred dogs, the sport of purebred dogs, and the American Kennel Club and may result in disciplinary action under the AKC Charter and Bylaws.

The Board also approved two related changes to support the new policy. Effective July 29, 2026, the **Dealing with Misconduct at American Kennel Club Events** guidelines will **require** an Event Committee hearing whenever a dog is seriously injured or dies in connection with an AKC event, not just when a vehicle is involved. This process allows the committee to review sworn testimony, determine the facts, and ensure these incidents are handled fairly and consistently at events across the country.

The **AKC Discipline Guidelines** have also been updated to include a new disciplinary offense and penalty structure for violations of the Unattended Dogs in Vehicles Policy. Depending on the severity of the violation and the circumstances involved, penalties may range from a one-year suspension and monetary fines to a lifetime suspension and fines of up to \$10,000.

These changes reinforce AKC's commitment to providing a safe environment for dogs and promoting responsible stewardship at every AKC event.
