MILLIONSTER rivers and available water. Flora and fauna is also rich in river vaneVS.

Q. 2 List one major difference between manuscripts and inscriptions.

Answer:

Manuscripts:	Inscriptions:
1. Manuscript refers to the ancient document written by hand. They were written on palm leaves or bark of trees. Bark of Birch trees, found in Himalayan region was majorly used for writing manuscripts.	on hard materials like stone slabs or metals. Rulers or kings used inscriptions to maintain
2. Manuscripts were written on plant material so many of them vanished due to decomposition or were eaten away by insects.	perishable material hence they

## \* LET'S DISCUSS

Q. 3 Return to Rasheeda's question. Can you think of some answers to it?

Answer:

Million Stars Practice Rasheeda's Question: How anyone can know what has happened One Hundred Years Ago.

Answers: We can know about the past events through the study of,

1. Books written in past.

2. Manuscripts

3. Inscriptions

MILLIONSTAR pols & weapons

MS

NOTE: The information of past can only be gathered though records and material from the past. Archeologists and historian work together on the ancient artifacts to make reasonable conclusions about the past.

Q. 4 Make a list of all the objects that archaeologists may find. Which of these could be made of stone?

Answer:

Archaeologists may find these things in their search: ondersharent

- 1. Potteries
- 2. Statues
- 3. Inscriptions
- 4. Manuscripts
- 5. Ornaments
- 7. Skeletons
- 8. Clothes
- 9. weapons

Weapons, statues, inscriptions, ornaments and tools may be made of Million Stars Practice stones. The materials made up of stones stay intact for longer duration of time.

Q. 5 Why do you think ordinary men and women did not generally keep records of what they did?

Answer:

MS

MILLIONSTER nary Men and Women did not keep a record of what they did because or mese reasons:

1. They spent their days searching for and gathering food, taking care of their families and ensuring their survival.

2. They were not doing something great to keep a record of it, staying alive itself was a challenge.

3. They didn't find time to keep records.

4. It was not important for them.

Note: The kings used to keep records about their kingdoms and their victories, in the form of manuscripts or inscriptions.

Q. 6 Describe at least two ways in which you think the lives of kings would have been different from those of farmers.

Answer:

Farmers	King
They had to work in the field.	They didn't have to work in the field
They had to produce their food	They have to protect their people and
grains.	kingdom.
Their life was full of difficulties.	Life of a king was comfortable
They formed the labour class	They were the owner and
	administrator of the kingdom.

## LET'S DO

Million earn a kink think think the second and the Q. 7 Find the word crafts persons on page 1. List at least five different crafts that you know about today. Are the crafts persons — (a) men (b) women (c) both men and women?

Answer:

Craft	Craft person	Explanation of craft
Woodcraft	Men	Beautiful art pieces are carved out of wood.
Paper craft	Men and women	Art pieces are made using paper. A paper craft called origami is famous in Japan.
Pottery	Men and women	Pots and other containers are made out of clay. Earthen pots (matka) are used for storing water in rural India.
Glass craft	Men	Glass pieces are made by skilled craftsmen and are used in decorations.
Embroidery	women	Embroidery is made on clothes to make it appear beautiful. You can see embroidery on expensive Sarees.

Q. 8 What were the subjects on which books were written in the past? Which of these would you like to read?

Answer:

Ancient books were written on the following subjects:

- 1. Religious beliefs and practices
- 2. The lives of kings
- 3. Medicine
- 4. Science

sillionarine Audice I would like to read about the lives of kings. I am interested in knowing about their kingdom and how grand were their lives.
