JCRTA President

A Message from the President

Are you growing weary of cold, gray, wintry days? Do you miss being with former educators and keeping up to date about issues involving retirement? Would you like to meet some new friends or get more involved in your community? Are you looking for something new to do now that you're retired? Are you interested in just going out to lunch?

If you answered "yes" to any of these questions, I highly recommend you come see what JCRTA and KRTA have to offer this spring! For me, JCRTA and KRTA have provided opportunities to do all the things listed above. I have connected with former colleagues, met new friends, found volunteer opportunities, and kept abreast of pension and education issues – often while enjoying a lunch or dinner out!

Our next JCRTA General Meeting will be on Thursday, March 9, 2023, at 10:00 AM at Wildwood Country Club. Dr. Rita Greer, former JCPS educator and administrator, will be our guest speaker. Dr. Greer's talk will feature highlights from her new book, *Teacher Journeys: Memories, Reflections, and Lessons from 20Th-Century African-American Educators*. In addition, there will be a brief remembrance ceremony to honor and celebrate those retired JCPS educators who passed away in 2022.

In April, we're looking forward to the KRTA Convention on April 17-18 at the Holiday Inn East on Hurstbourne Lane. The convention is open to all members and features guest speakers, entertainment, updates on legislative, pension, and healthcare, as well as dinner on Monday, April 17 and lunch on Tuesday, April 18. The total cost for the convention is only \$37! Registration is through KRTA. Watch for registration details in the upcoming issue of the KRTA Newsletter.

I hope you will consider becoming more involved with our organization. We are a dedicated group of retired educators keeping active, involved, and trying to make a difference while having fun - just like YOU!!

Sincerely,

Susan Reynolds Thurman

From the Desk of the First Vice President

Sahara A. Myers, 1st Vice President

Happy New Year! I hope all is well with you and yours. For many of us, a new year gives us new opportunities for new experiences. Many of us make promises to ourselves to make healthy lifestyle changes such as eating better, exercising more or getting more rest.

I, like many others, have decided to make some changes in my life. One huge and significant change was I have resigned from my position as choir director at my church. You should have seen the blank stares when I announced I was “retiring”. While others have retired from similar positions, music and choir directing is in my DNA. Even my mother said, “Are you sure?” “Yes...yes I am!” There comes a time when you just know when something has come to an end. Like, I knew in my heart when it was time to retire from teaching public school. I was at peace with my decision. Just like now. Even though directing choirs has been something that I have done since I was 13 years old, I’m pretty confident that this was the right time to move on to another adventure. As I stated in my letter to the pastor, “... Healthy growth in plants requires a changing of the soil. At this time, I feel that I have taken the music ministry as far as I can lead it and it is now time for a changing of the “soil”...” I will continue to support the music department as a whole, but I needed to be relieved of the weekly responsibilities. Feels GOOD! My new motto for a new year is, “FREE in ‘23”. As it says in Ecclesiastes 3:1 “To everything there is a season, and a time to every purpose under the heavens:”

I am looking forward to seeing each of you at our next general meeting which will be March 9, 2023 at the Wildwood Country Club located at 5000 Bardstown Rd. Our special guest will be Dr. Rita G. Greer, Ed.D. Dr Greer is a retired educator and administrator of the Jefferson County Public Schools. In addition to her work in JCPS, she has also created and implemented several teacher recruitment and training initiatives for supporting teacher certification as well as serving as the Director of the Leadership Education Doctoral Program and Advanced Graduate Education Programs at Spaulding University. While technically retired, Dr Greer has not stopped being an advocate for teachers, scholars and community leaders.

Dr Greer will be joined by a panel of retired teachers who were featured in her book, *Teacher Journeys: Memories, Reflections and Lessons from 20th Century African-American Teachers*. Please join us as they will consider “Our next journey: Building a new generation of teachers”. The panel of educators will share the highlights of

their journeys as well as engage the audience in a discussion of where we are today and how we can recruit and retain a new generation of teachers. Ideas, experiences and insights will be shared among the participants. You won’t want to miss this unique opportunity.

Finally, I will have a display of the Thank You notes from the students of J.B. Atkinson Elementary School. With your very generous gifts, we were able to purchase t-shirts for every student at the school. My heart was strangely warmed by the knowledge that we were able to provide this gift. To top it all off, they got their shirts on the last day of school before the Christmas break! JCRTA, you are awesome!

Congratulations 2022 Retirees!!!

Legislative Report

Beth Dowdell

I hope that you enjoyed the holidays and were able to share that special time with your family and friends.

The legislature has returned for the Spring Session and it currently appears as though there are no new bills being discussed that would affect our membership yet we still should remember our legislative priorities for 2023. The first is that we need to remind our legislators that there should be no changes to the governing of our Board of Trustees. We would find those changes to be unacceptable. We also need to follow HB 451, a bill that may affect the cost of prescription drugs for our members. We will be paying close attention to this and will keep our membership informed as to its status. The legislature has returned for the Spring Session

and it currently appears as though there are no bills being discussed that would affect our membership.

We were very fortunate that during the 2022 legislative session the state approved the biennial budget to include funding for our pension and for contributions to our health insurance plan. We should remember to thank out state legislators for their votes.

As always, we should show our support for current educators by paying attention to issues that affect them such as the calculation and usage of sick days. There are several bills that could affect current educators that remain in committee. We will keep our membership informed with any new updates as they become available.

Tara Parker

Our JCRTA member donations were part of that \$92,000. Thank you so much for your kindness and contributions to this very worthwhile cause.

KRTA Executive Council Meeting, December 5, 2022

Tara Parker

The KRTA 2021-22 Financial Audit Report from Monroe Shine showed our investments to be down due to the stock market decline in 2022. Dues collected barely cover expenses and will need to be reconsidered in the near future. In addition, travel is back to normal after a couple years of no travel due to Covid.

Committee Reports:

Membership Chair, Debby Murrell, reminded the executive council that our cut off date for membership is January 16, 2023. No new retirees are added and no deceased names are removed from the membership list until after that date. As of the meeting date (December 5), total membership is 31,579. Our original goal for 2022 was 31,122.

Health and Insurance Chair, Margaret Sims, reminded the council that as of January 1, 2023, TRS member 65 and older will not be able to get prescriptions filled by Kroger. Express Scripts mailed out a list of at least three pharmacies in their area where members can have prescriptions filled instead. TRS members should have received a letter explaining PERS, an emergency response system that will be free for member 65 and older. Silver Sneakers will be replaced by a new exercise program called Renew Active. Members should have received their Code and information about how to participate.

Legislative Committee Co-Chair, Larry Woods, reminded the group that the most important thing we need to do is become familiar with our new legislators. There were several changes throughout the state during our last election.

AARP/KRTA Specialist, Cebert Gilbert, reported that AARP is donating \$1 million to support the Eastern Kentucky flooding efforts. Grandparent essays are due December 15 at the local level.

Tim Abrams shared 2023 Fall Workshop tentative dates. Some districts are considering having a breakfast meal instead of lunch because of increased costs of banquet meals.

Tim reminded the group that our 2023 KRTA Convention will be April 17 & 18th, 2023 at the Hurstbourne Holiday Inn, Louisville. Room rates will be \$119 plus tax and the Code needed to register is HGZ.

The Federal Government rate will again be used for our 2023 mileage reimbursement.

The Nominations Committee presented names for the appointment of state officers. It is the Eastern District's year to submit a name for Vice President.

There was discussion that the N.O. Kimbler scholarship fund is depleted. We need more local RTA's to contribute to this fund.

UPDATES:

The KRTA Office has gotten several notes of gratitude from those members who received support from donations to the fund for tornado and flood relief. KRTA gave over \$92,000 in support of our members affected by these disasters. Checks from the Bourgard fund were dispersed after determination of need. Names are kept confidential.

Tim reported that the Bourgard and Kimbler funds have been reported jointly in past budgets, but will begin being reported separately. Meeting adjourned.
