PORTS OF CALL

These are highlights of the cities you'll be visiting. Shore excursions are available for these sights as well as many others at an additional cost.

New York

Everyone loves New York and there are a million reasons why. Here are but a few: the Statue of Liberty, the Empire State Building, Grand Central Station, the Ellis Island National Monument, the Brooklyn Bridge, the Metropolitan Museum of Art, the Guggenheim Museum, Times Square, Broadway, Greenwich Village, 5th Avenue and Central Park.

Newport, Rhode Island

During the 19th century, Newport served as the summer playground for the rich and famous. Residents displayed their fabulous wealth in the form of palatial estates overlooking the Atlantic. Today, these extraordinary and meticulously maintained homes line the city's famed "Mansion Row" and are a must-see for any visitor.

Portland, Maine

Portland offers all the amenities of a big city: art districts, a vibrant waterfront, museums, parks and diverse shopping opportunities. But within minutes, you can be enjoying the view from an historic lighthouse or tasting a juicy, local lobster.

Bar Harbor, Maine

This coastal attraction has retained much of its charm since its glory days of the 1900s, when America's elite vacationed here in opulent summer cottages. Surrounding the rock-bound harbor is the world-famous Acadia National Park where the opulence of nature is on display.

St. John, Bay of Fundy, New Brunswick

Saint John's history is evident in its weather-worn look, passing the tests of salt air, sea winds and a devastating fire that have all contributed to making Saint John the greatest little city in the east. Be sure to look for your ship in the port against the beauty of the Bay of Fundy from Fort Howe lookout.

Halifax, Nova Scotia

Admire the rugged coastline that surrounds Halifax, the world's second-largest natural harbor. This beautifully preserved city is Nova Scotia's capital and was founded in 1749. Take steps through history and climb to The Citadel to witness the Old Town Clock.
