## Spirit Communication Through Electronic Devices.

Roseanne Boscarello - ITC Technician

North Carolina Station

### Audacity - Voice Recordings

Talk to those people living in the Spirit World.

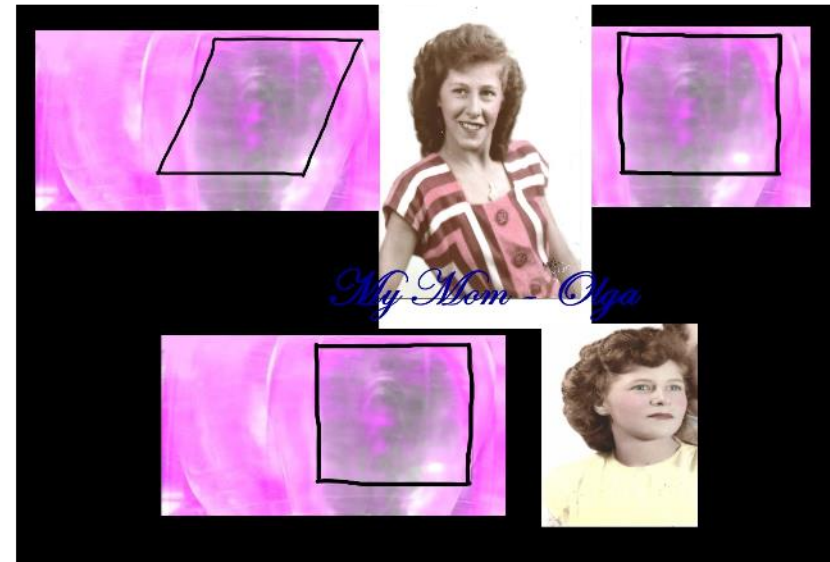

**We are Souls living a Human Experience.**

We descended to the Physical World in order to earn our wings before our Ascension back home to the the Spirit World - hopefully reaching a highervibration.

### Trans Imaging

Capturing images of those living in the Spirit World.

**My Mom - Olga**

Now we have methods of Communications and Imaging Techniques so we can always converse and see those that have Ascended before us.

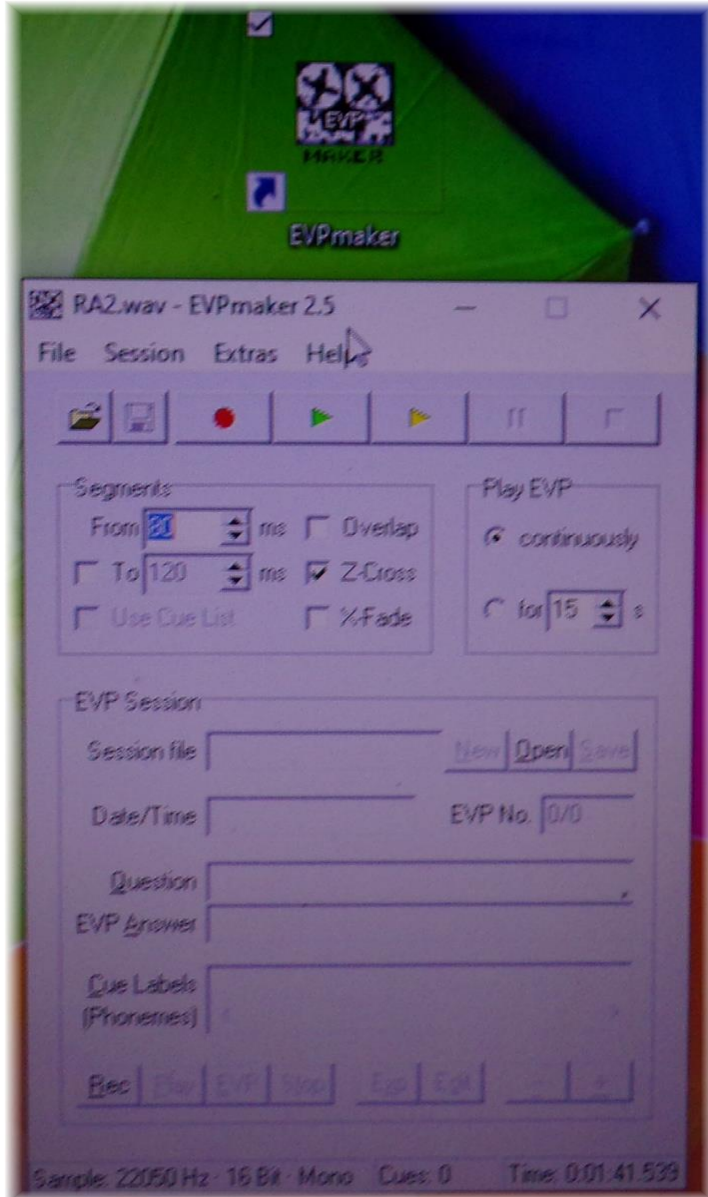

# Roseanne's EVP – Recording Technique

I use EVP Maker for creating the background noise to play at the same time I am recording on Audacity.

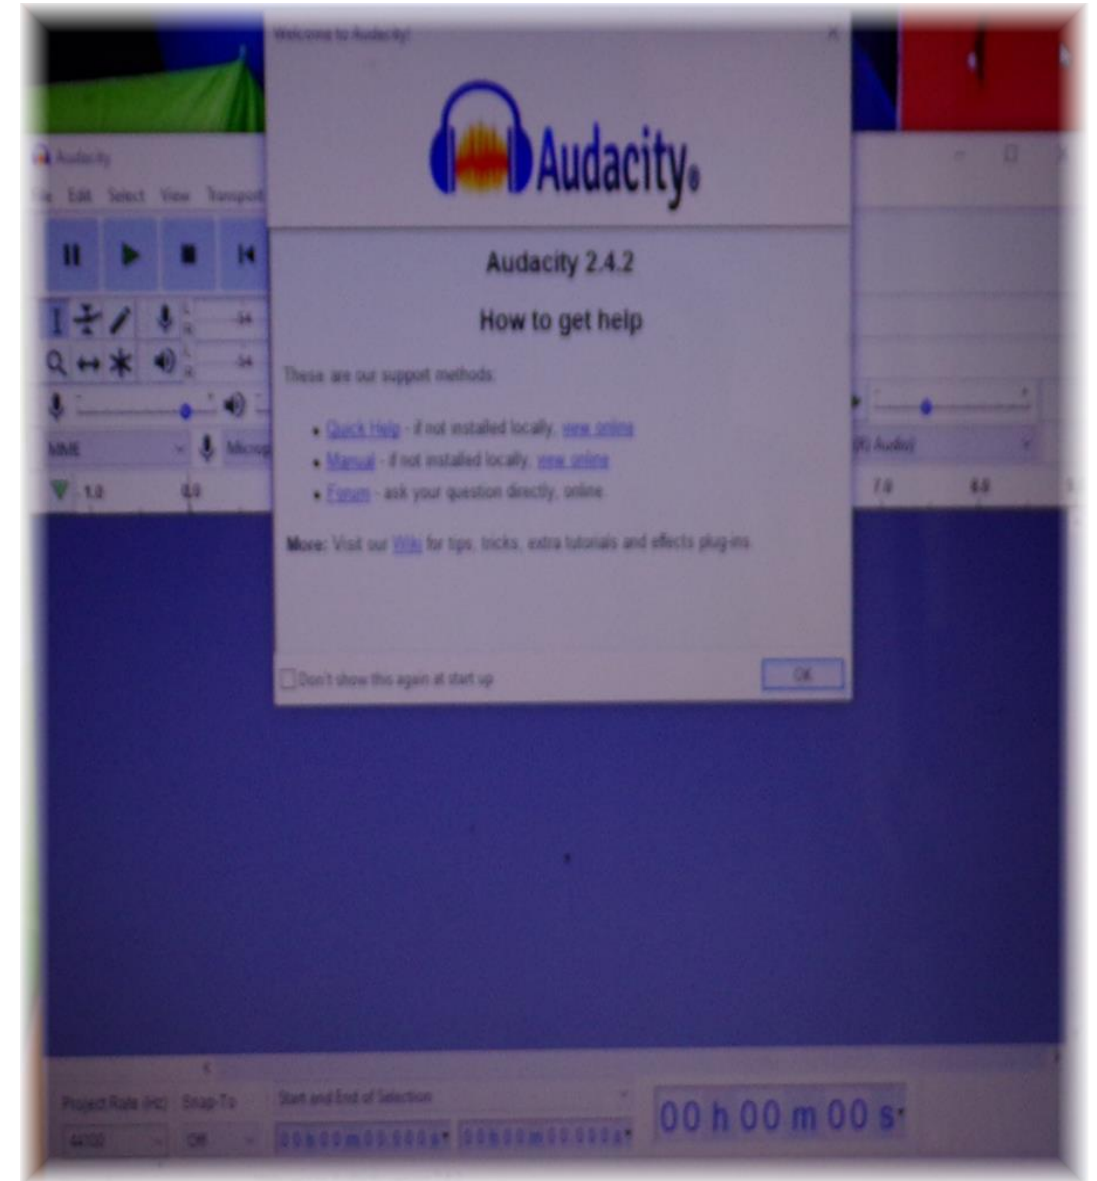

The EVP Maker allows you creating gibberish that you use to play while you are recording Spirit communication session with your loved ones, friends, Spirit partners, Communicators, guides and masters living in the Spirit World.

Spirit is able to manipulate the sound through the computer

# EVP Maker

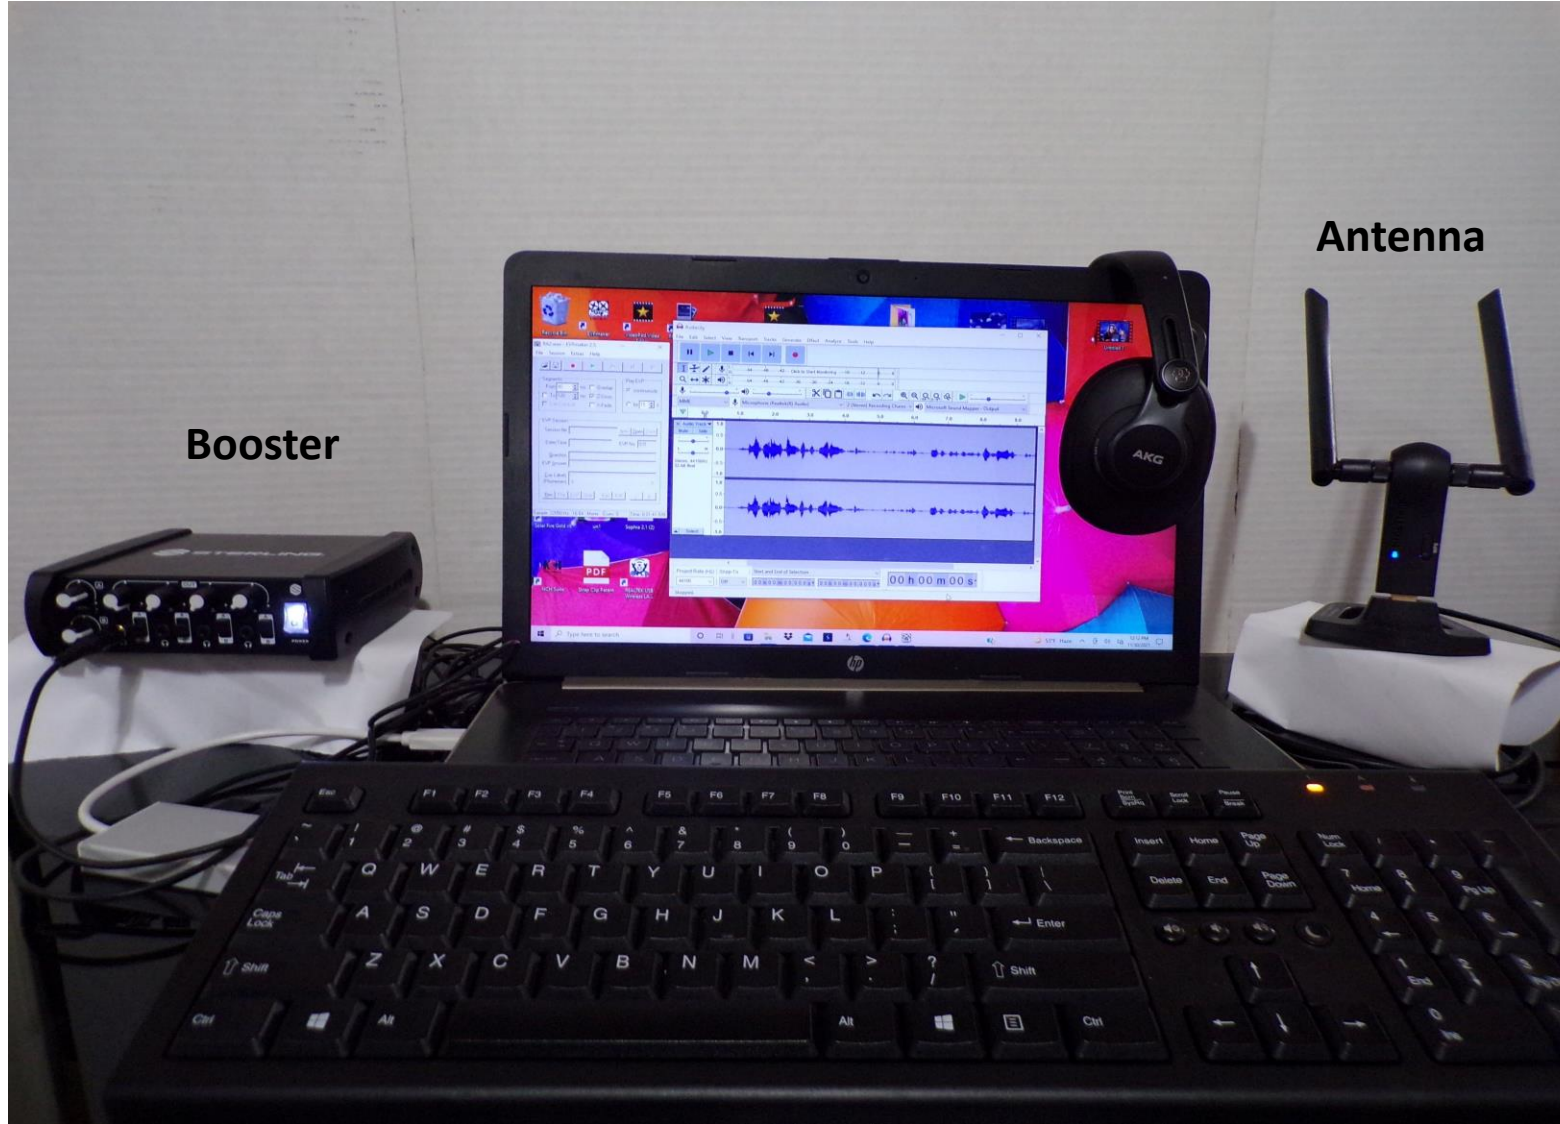

# Recording Program

Both the EVP Maker and Audacity are Free Download Programs

Mr. Tesla, instructed me to include a Booster and an outline - Antenna, to improve my recordings, so this is how I set up my recording studio. – The conversation can be found under recordings.

# Roseanne's Imaging Technique

This technique works for me. I was given instructions from my sister (Nancy) and Mom (Olga) to use motion and light, to a 2 globe system, introduced by Sonia Renoldi. I added the 3<sup>rd</sup> globe to capture 3D images of those living in the Spirit World.

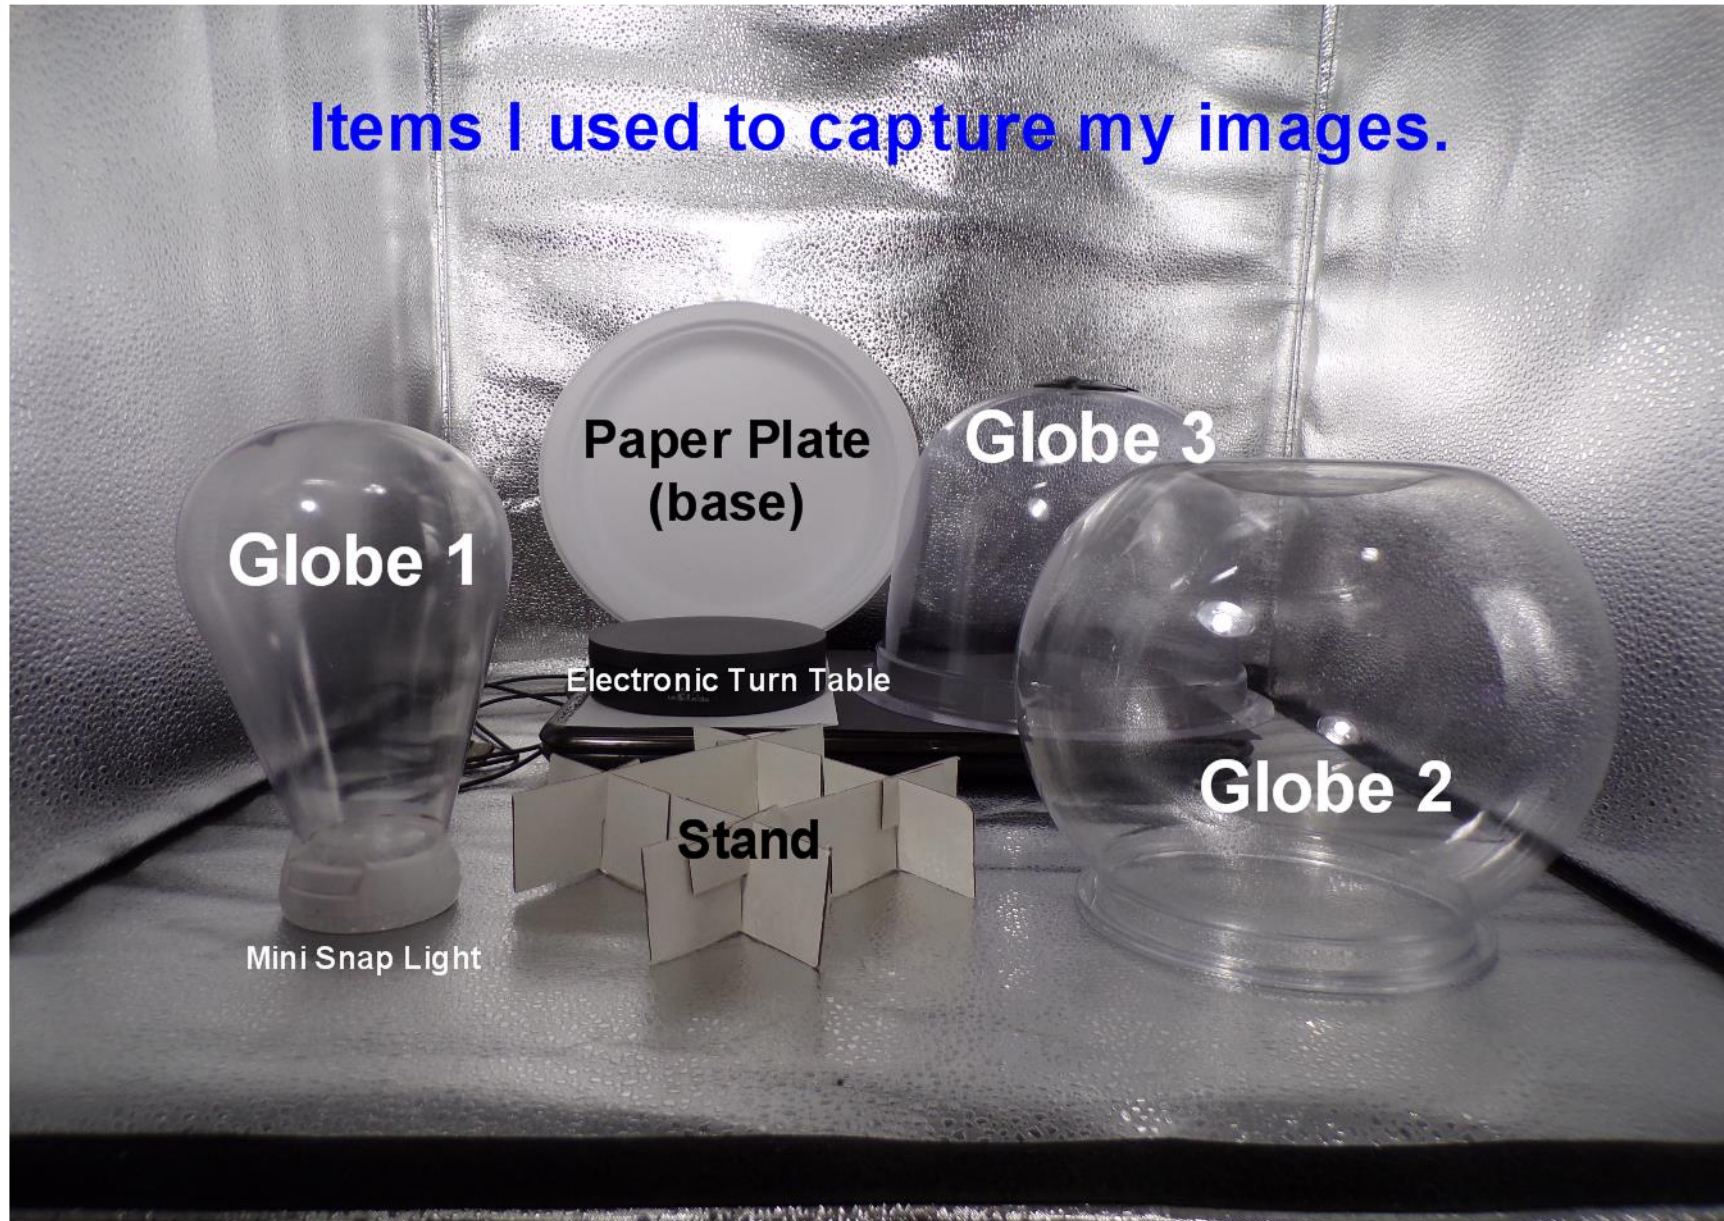

You can see some of my images by going to my website.

**[www.Spirit-Recordings.com](http://www.Spirit-Recordings.com)**

Paper plate

Items I used to capture my images.

**Step 1: Place Plate, Stand and Globe 1 on Turntable.**

**Step 2: Place Globe 2 on Stand.**

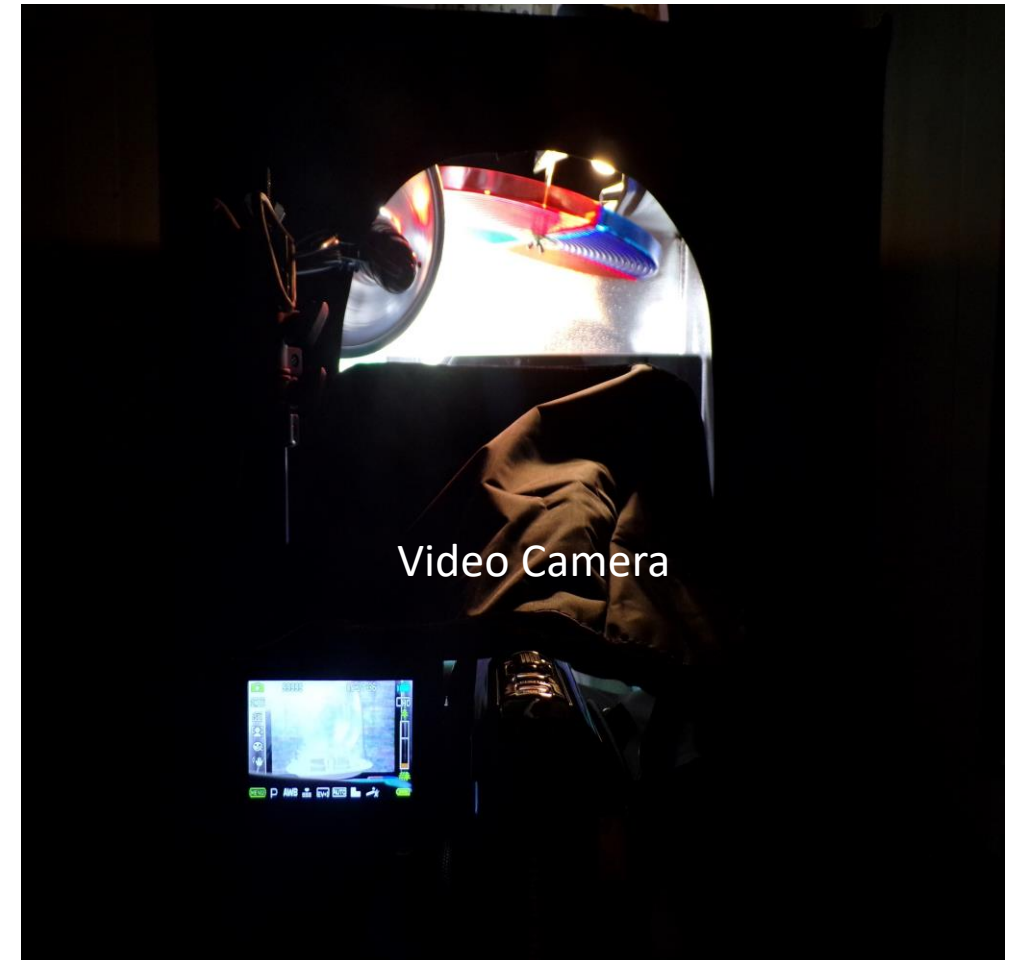

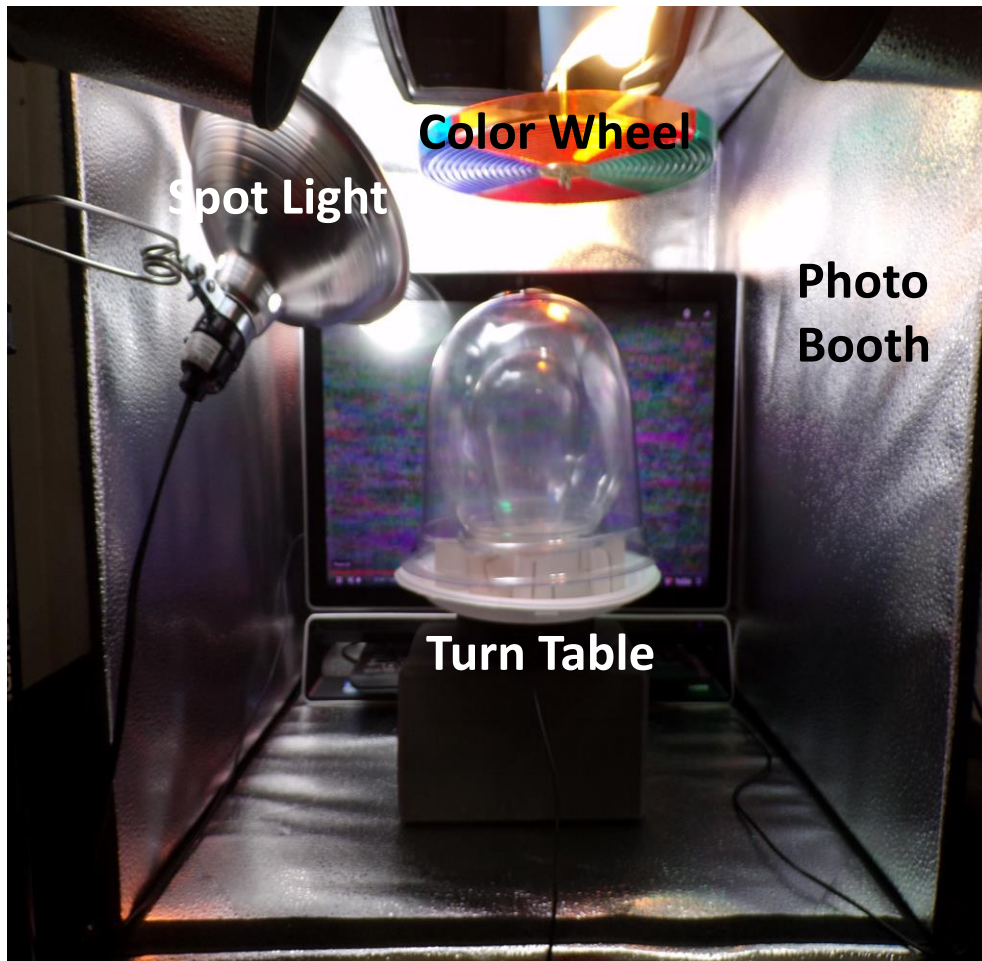

**Step 3: Place Globe 3 over the entire unit.**

Place Imaging Unit in front of color static on the computer.  
Make sure your light and turn table is on and start your video.

Speaking out loud, I ask those residing in the Spirit World, to come get their photos taken. Sometimes I ask for a specific Individual and other times I just ask anyone who needs me to post their photos for recognition, depending on the Session.  
(A prayer of protection is always in place.)

Please feel free to browse my site and look at the images that I have captured and listen to by recordings, of my Loved Ones, Spirit Partners and Teachers from the Spirit World.

We can connect by Zoom, FaceTime and through the Phone Lines.. Send me an email and we will work out the details and get you on the schedule, to talk to your Loved Ones that are now residing in the Spirit World.
