Ideally, how many hours per week would you want to work?

If hired, by what date could you start working?

If hired, is there any date after which you wouldn't be able to work anymore? (In other words, would you have to STOP working due to leaving for college or sport?)

Please mark with an "X" the time periods when you'd normally be available to work for the spring/summer/fall seasons – we know there will be exceptions when you can't always work these, but generally when are you available to work?

Mark all that apply. Notes:

(1) "Weekday Afternoons" means "immediately after school", if you're a student!

(2) You can't legally work past 9pm if you're under 16 years old, which means you can't work our normal "night shift, so you had better be available afternoons!

Our Requirements:

We expect our team members to be courteous, friendly, and engaging. We strive to run a friendly store, and we want you to greet every customer with a smile and a welcome. We want our customers to feel great about their visit and our serving team is a huge part of making that happen. We expect you to treat everyone, especially your serving teammates, with professionalism and respect. We hope you have fun at work, but at the same time, it's work - we expect you to behave and we tolerate no horseplay and no harassment nor insult of any kind directed towards customers, other team members, or anyone else you come into contact with. As much as we'd love to allow everyone the flexibility to work whenever is most convenient for them, most of our customer traffic occurs in the evenings and on the weekends, especially weekend nights and summer holidays. So those are the important times when we need you to be available to work so that our customers get the great service that they expect.

If you're a student, we respect your school responsibilities and want you to enjoy all aspects of your school experience, so we'll be as flexible as possible in scheduling shifts around your school or sports schedule. In return, we ask that you be flexible in understanding that if the weather is cold or rainy, your shift may be canceled.

A job requirement is that you be available to work a shift every weekend, especially (within reason: one or two missed weekends during the summer are understandable, provided you've let us know at least two weeks in advance.) If you can't commit to this, please don't apply!

A strong work ethic is extremely important to our success. If you are scheduled to work we expect you to make every possible effort to show up on time and work your full shift. Missing an assigned shift as a no call/show will result in immediate loss of your job. In addition, complete honesty and trust is an absolute requirement, and any violation, no matter how small, will lead to immediate dismissal.

I've read and understand these requirements, and I promise that I can commit to them:

ONE FINAL QUESTION: Working in an ice cream shop might look like fun from the outside, but it's a lot of hard work and can be stressful. Customers can be rude and demanding. It gets hot. There's pressure to fill orders quickly and correctly. You'll be working when others are out having fun. You have to enjoy working as part of a team. You need to be willing to pick up trash, clean utensils, bathrooms, floors, etc., and do it with a smile. Do you think you can handle it? Tell us why you think you'll like it. (You don't have to write a long essay – just a few sentences to tell us why you feel you'll enjoy being part of our team – but we base a lot of our decision on how you answer this.) j/k or not.. we also enjoy a good sense of humor.
