

## Check My Heart Emergency Card

Heart disease is the leading cause of death among women in the U.S. who are pregnant or have been pregnant within the last year.

### I am pregnant or I was pregnant

in the past year and I am having symptoms of a possible cardiac emergency.

PLEASE EVALUATE ME AND CONSIDER ORDERING:

**EKG Chest X-ray BNP Troponin**

Go to the hospital and read the above statement to your doctor or provider.
