Update to Covid-19 Guidelines as of 02/12/21.

- If student travels out of the state, it is a requirement that the student quarantine for 14 days.
- If students are attending social gatherings inside or outside of their home, especially if attendees are not wearing covering or physically distancing, students are required to quarantine for 14 days.

Please contact the front office and notify us regarding any student and quarantine periods. We continue to believe in G-d's Word and stand on Psalm 91. May your family be protected, safe, and blessed.

God bless,
