Don't fight the building alone.

Are you:

- **Being charged a late fee?**
- **Facing eviction?**
- **Having maintenance issues?**
- **Experiencing a security issue?**
- **Receiving rent-demand calls?**
- **Facing a rent increase?**
- **Having another apartment issue?**
- **Noticing issues with building amenities?**

The building has a whole team of paid staff and lawyers.
Do NOT confront them alone.

We're here to help you.

We're your neighbors, and we're 5550 tenants too. We can help you with [guidance](#), [communications](#), and more. Remember, there is **STRENGTH IN NUMBERS**. They can't bully all of us. But be careful, DO NOT communicate with the building before you speak with us.

Contact the **5550 Tenants' Association** to learn about your rights.
