TERMS OF SERVICE

This is an agreement for natural gas services between Barracuda Energy LLC and you, for the service address or addresses set forth in your Welcome Letter or Natural Gas Service Agreement ("NGSA"). Together, the terms of services set forth herein and your Welcome Letter collectively describe your agreement with respect to your purchase of natural gas service from Barracuda Energy (Agreement). You will be bound by all the provisions of the Agreement, as they may be amended from time to time. Barracuda Energy is licensed by the Public Utility Commission of Ohio to offer and supply natural gas services in Ohio as a Competitive Retail Natural Gas Service ("CRNGS") supplier. We set the supply prices and charges that you pay. Your local distribution utility will deliver the natural gas to you. Your Natural Gas Distribution company (NGDC) may charge you a switching fee. The Public Utility Commission regulates distribution prices and services. The Federal Energy Regulatory Commission regulates interstate transmission prices and services. You will continue to receive a single bill from your NGDC that will contain your NGDC's charges as well as charges from Barracuda Energy.

"Rate Plan Summary" means, as applicable, either

the section of the enrollment consent form/letter of authorization entitle 'Rate Plan Summary' or the Schedule A accompanying these Terms and Conditions entitled 'Rate Plan Summary – Schedule A to Terms and Conditions'

2. Term of Agreement and Credit: Subject to Barracuda Energy's acceptance of this Agreement and acceptance by your NGU, you hereby appoint Barracuda Energy as your exclusive limited agent to fulfill the terms and obligations of this Agreement. The 'Initial Term' of this agreement is set forth in the 'Rate Plan Summary'. Your service under this agreement will begin on your meter reading date as determined by your NGU tariff. Barracuda Energy's intent is to send an electronic enrollment request to your NGU within three (3) business days following your enrollment with Barracuda Energy unless a later date is agreed to. Your NGU will deliver your natural gas and provide billing and other services to you. After the end of the 'Initial Term', this Agreement will continue as set forth in Section 9.

3. Pricing Plans & Pricing, Billing, and Payment Terms:

Fixed Rate Plan: The customer will pay the fixed rate noted in the Contract Summary for the length of the Initial Term

Variable Rate Plan: The customer will pay a variable rate that may change month-to-month according (but not limited to) business requirements, market conditions, and commodity costs in your service territory. This additionally includes (but is not limited to) the market pricing of the commodity, transportation, and profit. The customer will be notified of any change in price of the variable rate when they receive their monthly bill.

You will pay Barracuda Energy for your service at the rates for both the Initial Term and during the 'Renewal Period' (As defined in Section 9). You will also pay gas distribution and transportation charges to your NGDU. The Initial Term and Renewal Period rate is exclusive of all applicable NGDU related taxes and charges (including the application Transition Rider or similar charge, if applicable) as applicable. Your NGDU will send you a monthly bill that will include your NGDU's charges, Barracuda Energy's charges, and any other charges incurred in accordance with this agreement. The rate you pay Barracuda Energy will include the Commodity Charge and Transmission Charge. Your price does not include applicable Ohio sales tax, use tax, local tax, or gross receipt taxes imposed by Ohio State Law. You are responsible for any all taxes, as required by law, and LDU charges for delivery and distribution services.

Depending on the date of the meter read, your bill from the NGDU may be prorated. The prorated billing is a technique for applying standard methods to nonstandard billing periods. A billing period that is shorter or longer than the NGDU's designated billing period days will have prorated charges based on a 30-day average for the applicable rate.

You will pay your bill in accordance with the NGDU's billing and payment terms. If you claim 'tax-exempt' status, you are responsible for providing Barracuda Energy with your Ohio tax exemption certificate, as it has been filed with the Ohio Department of Taxation. Unless otherwise provided herein, your payment terms and late payment penalties will be governed by the terms of the LDU's tariff. Barracuda Energy does not pay or arrange for the payment of any outstanding debts owed by you to the LDU or a previous Competitive Retail Natural Gas Supplier. You may request from Barracuda Energy up to 12 months of your payment history for services rendered by Barracuda Energy.

4. Length of Agreement (Term)/No Guarantee or Switch Period: The term of this Agreement is shown on your Welcome Letter. With the exception of a new meter installation or special meter reading date, you will buy your natural gas service for the service address(es) set forth in the Welcome Letter or Natural Gas Service Agreement from Barracuda Energy on the next regularly scheduled meter reading date available and will continue to do so for the entire Term. Customer acknowledges that Barracuda Energy cannot guarantee a switch of the Customer's account by a specific date and hereby holds harmless Barracuda Energy from any liability for, or arising out of, delays in this process. This Agreement shall remain in effect until you notify Barracuda Energy in writing or by phone of your intent to cancel at least thirty (30) days prior to your requested end date and until the LDU completes the termination in accordance with its rules.

5. Failure to Pay: Under the Initial Term or during the Renewal Period, in the event that you fail to pay your bill or fail to meet any agreed-upon payment arrangement, you are subject to disconnection and cancellation of this Agreement and service from your NGDU, pursuant to its policies and practices. If you fail to pay your bill or fail to meet any agreed-upon payment arrangement, Barracuda Energy may also cancel this Agreement upon fourteen (14) days of advance written notice. Such disconnection and/or cancellation will not relieve you of your payment obligations to Barracuda Energy, including any applicable early cancellation fee or device cost recovery fee, or your NGDU, for service to the date of such disconnection and/or cancellation.

6. Rights of Rescission and Early Cancellation Policy: Your NGDU will send you written notice, confirming your decision to enroll with Barracuda Energy. Customers have the right to rescind this Agreement within seven (7) business days following the postmark date on the LDU's confirmation notice, ("Rescission Period"). To cancel, you may call the toll-free telephone number of your NGDU set forth in the Rate Plan Summary or in writing at the address set forth therein. After the expiration of your Right of Rescission, you may cancel this Agreement at any time by contacting your LDU, but you will be required to pay the early termination fee described in Section 8, if applicable. If you request to cancel this Agreement, the cancellation will not take effect until the next actual meter read date following the date Barracuda Energy notifies your LDU. You will be responsible for all payments due hereunder until the cancellation of natural gas service is completed. This Agreement may be cancelled at the sole discretion of Barracuda Energy if you fail to meet any of the terms and conditions of this Agreement or if any of the information you have provided to Barracuda Energy is or becomes untrue.

7. Cancellation or Transferring Service because of Relocating: Barracuda Energy will have a right to cancel this Agreement if you relocate to a service location that is (a) outside of your NGDU's service territory; (b) not serviced by your NGDU; or (c) outside of Barracuda Energy's service territory. Before you relocate, you must first call Barracuda Energy Customer Service at the toll-free telephone number set forth in Section 22 and then you NGDU at the toll-free telephone number set forth in the Rate Plan Summary. However, If you relocate within your NGDU's service territory, your service will transfer and this Agreement will automatically continue for the remainder of the Initial Term, if any, and automatic Renewal Period of this Agreement. Thus, you will receive Barracuda Energy's service at your new location pursuant to this Agreement. If you relocate within your NGDU's service territory, you must (a) call your NGDU at the telephone number in Rate Plan Summary to inform the NGDU of your request to transfer your NGDU service to your new location; (b) obtain your new account information from the NGDU; and (c) contact Barracuda Energy at the telephone number in Section 22 to provide your new account information and location to complete the transfer of service. You must provide written proof of your new location outside the NGDU service territory to Barracuda Energy at the address provided in Section 22. If your service transfers as provided in this paragraph, you grant the NGDU the right to provide Barracuda Energy with each account and meter number for your new service location(s). If service does not transfer to your new location, this Agreement will be cancelled, and you will be served under your NGDU's regulated service commodity rate unless you select another natural gas supplier. If this Agreement is canceled, expired, or otherwise terminated, you will receive uninterrupted service from the LDU. Only the LDU may shut off your natural gas service. Switching fees may apply to you under your current LDU's tariff.

8. Fees, Penalties, and Exceptions: You may be assessed an early termination fee if you cancel or terminate this Agreement prior to the end of the Term. If an early termination fee is applicable, the amount of the early termination fee will be specified in your Welcome Letter or Natural Gas Service Agreement

9. Renewal: Upon completion of the Initial Term, this Agreement will automatically renew on a month-to-month basis unless Barracuda Energy sends you advance written notice of a change. Any written notice will be sent within forty-five (45) to ninety (90) days as prescribed by the Public Utilities Commission of Ohio (PUCO) and apprise you of any proposed changes in the terms and conditions of this Agreement, including your right to renew, terminate, or renegotiate this Agreement. While taking service on a month-to-month basis (the "Renewal Period"), the rate for natural gas will be a variable rate that may be higher or lower each month and will be set in Barracuda Energy's sole discretion. In determining your new rate, Barracuda Energy will consider competitor pricing, strategic business objectives, profit margins, customer retention, volatility, anticipated customer usage, service costs, weather, legal and regulatory issues, among other factors. No single factor will determine the rate and the above is not to be considered an exhaustive list. Barracuda Energy determine the factors which weigh into pricing differently each month. Barracuda Energy, may too, amortize sudden cost increases over course of multiple billing cycles so that its customers do not bear the burden of such increases in one particular month. Barracuda Energy seeks to mitigate market risk by acquiring adequate supply it anticipates delivering prior to the month rather than utilizing the spot market. Therefore, the variable rate may not correlate with changes in wholesale market prices or your local utility's rate. The variable rate may be higher than the local utility rate or other supplier's rates.

10. Agreement Expiration/Change in Terms: If you have a fixed term agreement with Barracuda Energy and it is approaching the expiration date, or if we propose changes to our Terms of Service, Barracuda Energy may send you two notices offering to renew our agreement under the same or different conditions. You will receive the first notice at least 45 days and not more than 90 days prior to the termination date of our agreement and the second no less than 35 days prior to the termination of our agreement. After notifying you of an approaching expiration, we will follow your instructions. If you do not respond to any of the notices, the price for natural gas service will automatically continue at a variable market rate.

11. Assignment and Successors: This Agreement can be transferred or assigned by Barracuda Energy to any affiliate of another supplier upon thirty (30) days advance written notice. After assignment, Barracuda Energy will have no further obligations under this Agreement. You cannot transfer or assign this Agreement to another party.
