## “Members in Black”

*Searching for people who desire to make a difference in the lives of children through community service.*

## Remember when...

We all believe our children are our future. Through Kiwanis service, we have dedicated ourselves to build a better future for them by “changing the world one child and one community at a time”. There was a time when **we** were considered ‘the future’. Yes, we were the children that Kiwanians were dedicated to serve and improve our lives.

It looks like they did a pretty good job, especially for those who became Kiwanians and continued these men’s work.

There is one difference. For the last 25 years, women joined men in an effort to insure a better future.

These Kiwanis pioneers had the foresight to realize there would be more generations of children follow-

ing us who would also need guidance, opportunity and support. To ensure they would be receiving this service, part of their goal was to build strong Kiwanis clubs that would be able to keep serving the children. We, as Kiwanis club members, are reaping the benefits of their efforts.

Now, it’s time for us to ensure that today’s children have the opportunity to service tomorrow’s children just as our forefathers ensured we would have that opportunity. We need to keep our clubs growing, introducing new ideas and expanding our service opportunities. This is the main reason we keep pushing membership, not only for today’s children, but for tomorrow’s as well.

Can you imagine a world where our current Key Clubber and Circle K’ers didn’t have the opportunity to return the favor? Let’s make sure this doesn’t happen and keep our clubs growing.

## KIWIN'S

### Jessica Tran Reporting:

On December 28, 2012, KIWIN'S Turquoise Division ventured to Pasadena to help out with the Kiwanis Rose Float Decorating! They were among the thousands of volunteers who have worked tirelessly in the rain and freezing temperatures to help prepare for the Rose Parade.

KIWIN'S members were fortunate to get up close and help out with ten various floats, which ranged from a Korean Memorial Float to the Los Angeles City of Hope's float. It was a spectacular sight being able to see all the floats overflowing with flowers and observe the entire float process.

"Volunteering at Rose Floats made me realize and appreciate the beauty of the floats even more," Camarillo KIWIN'S member **Leann Pham** stated.

Rose Float volunteering would not be complete without the Kiwanis International Luncheon! On December 29th, **KIWIN'S Lieutenant Governor, Jessica Tran; International Trustees, Betty Stearns and Zack Dameron; and Key Club Lieutenant Governor, Jeffrey Xiong**, were invited to attend the special luncheon held in honor of Kiwanis International President, **Tom DeJulio**. They not only enjoyed the warm hospitality and delicious food but also found the reception inspiring.

Listening to **CNH Kiwanis Governor, Gary Jander** and **International President Tom DeJulio** speak before the Kiwanis Family about the importance and mission of Kiwanis International; about the significance of having our very own Kiwanis Rose Float; about the progress and success achieved through Project Eliminate and the Pediatric Trauma Program efforts, made all of us realize how lucky we are to be part of this wonderful K-family organization.

Two "Special Guest Days" will be held in February to offer another opportunity for prospective new members to learn about Kiwanis and how our club benefits the community, especially the children. We have **Virginia Hayward, CEO of the Boys and Girls Club**, as our featured speaker for both meetings. Other speakers will highlight our club's activities and the opportunities available for networking and leadership. The fun and friendships we share will also be highlighted.

The first meeting will be on Friday, Feb. 8 at Hummingbird Nest Ranch beginning at 6:45 P.M. with a dessert social following at 8:15. The second will be at our regular meeting place and time, The Junkyard Cafe Banquet Room, beginning at 6:45 A.M. and ending at 8:30. Guests are invited to attend either or both of the meetings. There will be follow-up meetings offered for further orientation and to answer questions.

On February 28 we will provide and serve lunch for the Annual Youth Summit.

## SIMI ONLINE

Keri Ferguson Reporting:

Our club has an ongoing need for book donations, appropriate for kids ages K-6. We will be putting labels in the books and donating them to the public elementary schools in Simi Valley.

If you have any books to donate, please bring to the DCM on February 14th. If you cannot make it to the DCM but have books to donate, please contact me at:

**keriferguson@gmail.com or 805-368-5267**, and I will happily come get them.

Please ask members of your clubs for donations as well. This in an ongoing book drive. If February 14th is too soon or if you have books later, please keep us in mind. Thank you all!

## EAST VENTURA

Cathy Sheeler Reporting:

Our club held our 37th Boys and Girls Club Christmas party on December 21st. This is our largest service project. There were 60 young boys and girls from 3 different Boys & Girls clubs of Ventura area who attended, and 10 members from our club to help with set up and decorating the tables.

President Sharon Robinson acknowledged the special guests including a recording artist who sings and plays his guitar as the children gather on the floor in front of him to sing Christmas songs. Then the Policemen and their Police Dogs show the children how they help catch bad guys. Each child lines up to pet the dogs.

Club members serve Pizza donated by the Red Brick Pizza Company, and ice cream donated by Marble Slab Creamery.

Santa and his helper, Miss Ventura County, hand out books, donated by Barnes & Noble Bookstore of Ventura, and each child selects a stuffed animal from under the Christmas tree, then are presented with a candy wreath lei made by our students from the Builders Club of Anacapa School in Ventura.

This event is such a fun filled day for all the children, they leave with smiles on their faces, and actually all of us do!

Currently we are working on our first Casino Fundraising bus trip to San Manuel. This will take place on Friday, February 22.

At each of the conferences, on Saturday evening will be the Cal-Nev-Ha Foundation's 8<sup>th</sup> Annual Gala: "Anchors Aweigh" Set Sail for Pediatric Trauma Prevention. Hop aboard for a casino night fundraiser benefiting the Foundation. The gala will include Casino Night activities with live casino-style table games, silent auction, 50-50 drawing, shuffleboard, prizes, and scrumptious food, all for only \$65/person. The Social Hour and Silent Auction will start at 6pm, with the Casino and Buffet at 7pm.

This is where we need your and your clubs' participation. First of all, reserve your tickets now.

Then, consider supporting the Foundation by sponsoring a casino table. For a donation of \$250, a table can be sponsored by an individual, club, division, or any organization or company. If the club is sponsoring, the donation may come from your club's service account. Table sponsors will receive two complimentary tickets to the gala, recognition in the event program, and a sign placed at the casino table.

Third, we ask for your support by donating an item or items for the silent auction or as prizes for the casino games. Items can include

gift cards, baskets, time shares, cash, boxes of chocolate; movie or concert tickets, or many other high-quality items; use your imagination! Donated items are a great way to support the Foundation, as 100% of the proceeds benefit those we serve. Along with your donated item(s), please complete the donation form you can find on the website and return it to the Foundation office.

Then, please let me know by email of any donations made, or to be made, for the Gala at the Mid-Year South event in Burbank.
