In my first column as Lt. Governor last October, I spoke about how our clubs would have to explore new ways to communicate, hold meetings, attract new members and continue to provide service in a changing world.

Suddenly things really changed dramatically, and we had no option but to change - dramatically. It comes as no surprise, our clubs stepped up to the plate. In no time at all club leaders became more tech savvy and started meetings on Zoom. Many clubs returned to Kiwanis' roots and explored local, DIY service projects and fundraisers.

We are all looking forward to being able to be back together again. To share the fellowship that is such an important part of who Kiwanis is, and this will happen. But, when it does, don't let it stop you from continuing to be creative.

As our new Lt. Governor begins her term, we will continue to face challenges, but I take great pride in knowing that because of this last year you will face those challenges stronger than ever.

This past year I had the good fortune to have the support of a lot of great people including my First Lady and our Lt. Governor Elect. We set out to increase communication among the clubs in our Division, to make our DCM's more informative and fun, to be a resource for our clubs and their members.

It is my hope that you would agree that together we have accomplished all these things and more. I know that the coming year will find you helping to achieve the goals of our new Lt. Governor.

Next month you can sit back and enjoy "Fireside with Deb". You will want to take a look; I'm advised there may be a "fun" assignment involved.

I thank you for all your support, dedication, and determination this year, and ask that you continue to provide those same qualities to Debbie.

KIDS NEED KIWANIS

Although we are still in a kind of shutdown mode, we can proudly say that we have not cancelled a single members meeting (thanks to Zoom); our attendance at DCMs has increased; we are still showing a positive in membership; our interaction with our three Key Leader Clubs is great; and we were able to meet the majority of our commitments, including a signature project. We are looking forward to the new year with President Bob Kelly and President Elect Linda Thayer, both first time leaders for our club.

Incoming President Bob Kelly and President Elect Linda Thayer

kidSTREAM recently held a Lego Competition. To make it as safe as possible, each team was allotted a time to bring in their work and present it to judges and video cameras. Mary and Allen Grizzard-Paul represented our Kiwanis Club to show our support for the event.

The teams' task was to build a city and some of the entries were incredible and took days to make. It is great to see that the children's museum is still getting kids involved during this difficult time.

Conejo Valley

Roger Klausler Reporting

Our club was well-represented at the Governor's Visit last month. Governor Tim Cuning and Conejo Valley Kiwanis gratefully presented the Community Service Award to Safe Passage, the Thousand Oaks Police Department, and the Conejo Valley Recreation and Parks District in recognition of the critical aid that they provide to families in the Latino community.

During the school year, Safe Passage offers after-school homework help and field trips, and in the summer, camps and classes focusing on Science, Technology, Engineering, Arts, Medicine and the Outdoors. During the current health crisis, hundreds of impacted families have been receiving a week's worth of groceries and nearly 400 children receive breakfast and lunch items. Infants are provided nutrition and diapers. All these services are free of charge, some supported by a grant from our Foundation matched by the Cal-Nev-Ha Children's Fund.

Left: Sonia Agresti, David Yeomans, Sheromie Vittachi, Betty Stapleford, Tom Stapleford, Rochelle Callis; Center: Gov. Tim Cuning; Right: Rochelle Callis, Admin. Group, Conejo Recreation and Parks District

Past President Sonia Agresti was surprised and honored to receive this award from Division 42 East for her stellar service as our club's advisor to the Agoura High School Key Club.

Tom and Betty Stapleford hosted our safe-distance installation dinner at their home on September 14. Special thanks to them and to Stonefire Grill who provided superb boxed dinners and to Lt. Governor Don Erickson, First Lady Lorraine Erickson, and incoming Lt. Governor Debbie Heaslip for officiating.

We presented Kiwanian of the Year awards to Betty and to Sonia Agresti, our Key Club advisors. "They are role models of good character, but also adults who inspire in young people a desire—even a responsibility—to serve others through activities that require organized planning and execution. Sonia and Betty have perfected the trick of supporting and encouraging with a delicate hand that moves kids to success."

Randy Gould received in absentia the Distinguished Service Award for his 6 years of wise advice and diligent hands-on work on the Board of Directors.

Sheromie Vittachi was installed as President beginning in October, succeeding Tom. She is shown with incoming Board member Paul Campbell—back for yet another ride—incoming Vice-President Sue Bartley, Tom, and Secretary Roger Klausler.

President Kathy Sullivan and member Don Ehrhardt at the Governor's Visit in August at Moorpark Country Club

Santa Susana showed support for their sister club, Simi Valley Kiwanis at the **“Great American Food Drive”**

Our members accepted almost 1000 donations at the local Grocery Outlet.

We're Back !!

Finally, after 5 long months, our club got together “In Person.” President Ray Dempsey hosted his last club meeting with a “Bring Your Own” lunch. It was more of a celebration than a meeting, and that was just fine with us.

Simi Valley

Shelley Howard Reporting

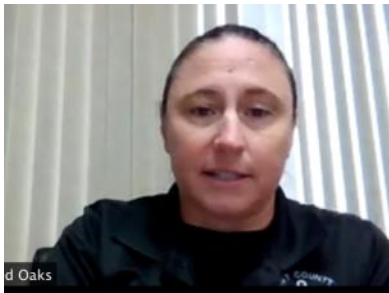

On Saturday, September 5, the Kiwanis Club of Simi Valley collected nonperishable food at the Simi Valley Senior Center, in front of six local markets, and in neighborhoods throughout Simi Valley as part of the Great American Food Drive. The event was created to address the needs of those in Simi Valley experiencing food insecurity as a result of the COVID-19 pandemic.

The outpouring of generosity from our community during the event was awe-inspiring, as several tons of food and over \$1,200 were collected to help those who need it most in Simi Valley. These resources were distributed among four local food pantries in Simi Valley including cash donations of \$350 each. This event was made possible in part by a COVID-19 grant of \$500 from the Cal-NeV-Ha Children's Fund.

Thousand Oaks

John Prescott Reporting

Detective Jennifer Bowie of the Ventura County Sheriff's Department provided a very timely and informational program to the Thousand Oaks Club on September 2. Scams are rampant during the pandemic, so we have to watch out for COVID-19 "cure-alls." Phishing expeditions are also rising as scammers try to steal identities in order to file fraudulent unemployment claims. Other more mundane scams are continuing at high levels. These typically involve sending a prepaid gift card to avoid such calamities as being sent to jail for tax evasion or not showing up for jury duty. And don't let just anyone volunteer to help you "remove" a virus from your computer.

The Thousand Oaks Club delivers Meals on Wheels on Saturdays, Sundays, and Mondays. This service has never been more important, as the need has increased significantly during the pandemic. Many homebound seniors have no other option for obtaining their meals. Weekend Meals on Wheels coordinator Jim Stephenson has tabulated our weekend statistics for the past year (104 MOW assignments), and the Club recently saluted and thanked our top drivers - Donna Orraj (19 times), Alice and Jim Stephenson (14), Past Lieutenant Governor Katy Porter (8), and Mary Sepe (8).

Several Thousand Oaks Club members attended the combined Cal-Nev-Ha District Governor Tim Cunning's visit and Division 42 Installation Banquet, held LIVE on the patio at Moorpark Country Club August 22. Our own Tony Antonelli emceed the event, and current Lieutenant Governor Don Erickson presented a gift to Tony thanking him for his service to the Division and support of the Cal-Nev-Ha Children's Fund during Don's year. While in town, Governor Cunning also met separately with Bob Engler to award him the District's new Youth Service award.

The Thousand Oaks Club is happy to have received a \$500 Club Grant from the Cal-Nev-Ha Children's Fund. The Club is matching this grant with \$2,000 from our Charitable Foundation to benefit the Safe Passage Youth Foundation, a local non-profit serving almost 500 at-risk and underprivileged youth. President Steve Weiss and other Club members are shown here presenting the check to Safe Passage representative Tim Hagel. Safe Passage keeps kids out of gangs, and during the COVID-19 pandemic has added on-going services to distribute food, personal protective equipment, and other supplies to families. Under the leadership of Community Services Chair Mary Sepe, our Club members will be helping to distribute the food and supplies as part of our grant project.

Our club meets bi-weekly for lunch at Arroyo Verde Park. Club members bring their own sack lunches, and it is held with masks, and social distancing is respected. Near the end of the month we hold one Zoom meeting. Kiwanis After Dark, our alternative monthly-meeting evening group, is holding a golf game on September 17th (information on joining that was sent out last month.)

Our Installation Luncheon will be held on September 25th at the Poinsettia Pavilion on the patio, with Matt Kohagen to be installed as President. We also have an upcoming opportunity to do volunteer work for the Salvation Army.

Key Club Regional Training Conference (RTC) - 11/14/20 via Zoom

We will be needing approximately 18 chaperones for this event, as well as donations of snacks that we can include in the RTC packets to be delivered to the students. We are also looking for some sponsors to cover costs, as we've greatly reduced the price for students. Instead of the \$35 per student, we are requesting \$50 per school or \$5 per attendee whichever is greater. Additionally, RTC T-Shirts will be an a la carte option, as we are really budget-conscious this year.

Director of Service Leadership Programs Announcement

Timothy Cunning has been selected as the new Director of Service Leadership Programs for the Cal-Nev-Ha District.

2019 - 2020 Distinguished Club Recognition Program

As this administrative year comes to a close, it's time for those Kiwanis clubs who have fulfilled the necessary **criteria** to submit their information for consideration of distinguished status for the 2019-20 year. To facilitate this, a **distinguished club form** may now be completed and submitted for consideration to Governor Timothy Cunning. This form should be submitted only once per club, along with the requested supporting proof, by November 15, 2020.
