Happy New Year Division 42:

Well we made it. I know we are not starting out as we hoped, but let's keep our hopes alive with positive thoughts that this year will see us blossom with new beginnings, renewed energy and renewed camaraderie.

Despite the challenges, this is a great year to be your Lt. Governor. You have not faltered in your efforts to make a difference to each other and in your communities. Our Interclub Challenge has seen you rise to the occasion and excel at being a part of the much larger Kiwanis Family.

In addition to the fun and interaction we have with our own Division Interclubs, we had over 30 members representing 8 clubs join a Memphis meeting, and over 20 members and 7 clubs with the Greater Club of Chicago. Both were blown away by our attendance and our accomplishments. Congratulations, what can I say? YOU ROCK!

Along with my deepest gratitude and pride, here is my New Year's Message for each of you.

Forget the kindness that you do, as soon as you have done it;
Forget the praise that falls on you, the moment you have won it.

Forget the slander that you hear, before you can repeat it;
Forget each slight, each spite, each sneer, wherever you may meet it.

Remember every kindness done, to you, no matter what its measure;
Remember praise by others won, and pass it on with pleasure.

Remember every promise made, and keep it to the letter;
Remember those who lend you aid, and be a grateful debtor.

Remember all the happiness that comes your way in living;
Forget each worry and distress, be hopeful and forgiving.

Remember good, remember truth, and to yourself be true.

And you will find through passing time, true joy and hearts that love you!

Homework Assignments: I have a GOLD STAR for Camarillo. They completed their homework. Allen shared this little bit of wisdom he read and remembered. Wise old grandmothers' definition. "Success is when you look back at your life and the memories make you smile."

This month's message is, "Take time to be *friendly* - It is the *road* to *happiness*." So your homework is to share something you did for a friend that brought happiness. I can't believe a Kiwanian would find this a hard assignment.

"January" Info: If were born between Dec. 22nd and Jan. 19th, you are Capricorn. After the 19th, you are Aquarius. Interested in info about your sign,? Here you go: <https://www.astrology-zodiac-signs.com>.

Truly Canadian: Did you know that every McIntosh apple in the world is descended from a single tree discovered in Ontario in 1811?

Thank you for taking the time to chat.

Take care until we meet again.

Debbie

December proved to be a very sad time for Camarillo Kiwanis. We lost our treasurer, Bob Gaboury, to the dreaded COVID just before Christmas. Bob was not only our treasurer, he was also our webmaster, Zoom host, and technical advisor who spent many hours resolving all our communication problems.

Bob was born on February 8, 1940 in Montreal, QC Canada. He enlisted in the United States Navy in 1960 where he spent 20 years proudly serving our country, including time in Viet Nam and 13 months at McMurdo, Antarctica operating the Penguin Power and Light station. In 1997 he married Linda Thayer, daughter of one of our club's founding members, George Thayer, and eventually they both became members of the Kiwanis family.

On a happier note, we were able to present our Immediate Past KIWIN'S Lt. Governor of Turquoise Division, Cecilia (Cece) Wong, with the "Youth of the Year" Award, which is one of the Top Ten Awards voted on by the Camarillo Chamber of Commerce. Past President Doug Hill submitted Cece's name on behalf of Kiwanis, and fittingly was able to present the award, even though it was on Cece's doorstep due to social distancing.

Conejo Valley

Roger Klausler Reporting

Kiwanis of Conejo Valley put its holiday focus quite literally on one child, one community at a time through its support of local families experiencing financial hardship or health and personal challenges.

We "adopted" a family through our Foundation's \$400 donation to the BumbleBee Foundation. The Foundation is a 501(c)(3) based in Southern California that assists families who have a child battling pediatric cancer. <https://www.bumblebeefoundation.org> Our donation was then passed back to us to buy gifts for 4-year-old Matthew, shown with his Paw Patrol Marshall. In addition to that and the Lightning McQueen clothing and monster trucks on Matthew's wish list, our donation to the Foundation also provided to his parents \$100 gift cards for gasoline and for general expenses.

We helped Santa Claus, Sommer Barwick from Conejo Parks and Recreation, and officers from the Thousand Oaks Police Department to buy, wrap, and deliver gifts to about 25 kids in the Safe Passage Program. Safe Passage is an alternative to traditional policing that replaces what a gang offers; it isolates existing gang members from the micro-community by building trust between law enforcement, children and families. <https://safepassageyouth.org> After Santa and the officers had given out all the gifts, the kids waved good-bye to Santa and wished a Merry Christmas to his police escorts.

President Sheromie Vittachi delivered to Lt. Governor Debbie a trunkful of blankets hand-made by our members.

Our club's Secret Santa party began with quaffs of holiday libations and Betty Stapleford reading the poem "If I Ran The Zoom," a Dr. Seuss parody by Rod Richards. Then Sheromie accompanied herself on the guitar and sang "Silver Bells." As we opened our Secret Santa gifts throughout the party, we recalled Christmas traditions or memories that we had as kids. Santa's gifts varied from the practical to the whimsical. See Tom Stapleford's Tesla T-shirt. An attempt at singing a couple Christmas carols to which we couldn't remember the words was followed by videos of Band Aid's "Do They Know It's Christmas" from 1984 and José Feliciano's "Feliz Navidad." We closed by answering holiday trivia questions and filled in the blanks in "A Visit from St. Nicholas," to which most of us fortunately DID remember the words.

Ventura County Superior Court Judge and Moorpark Kiwanian Catherine Voelker (R) is sworn into office on January 5. Member Mindy Yaras (L) cheers her on at the ceremony!

Every week, Debbie Lee delivers meals through the Senior Concerns organization.

Moorpark Kiwanis organized and sponsored the Military Banner program. The banners were recently installed along Tierra Rejada.

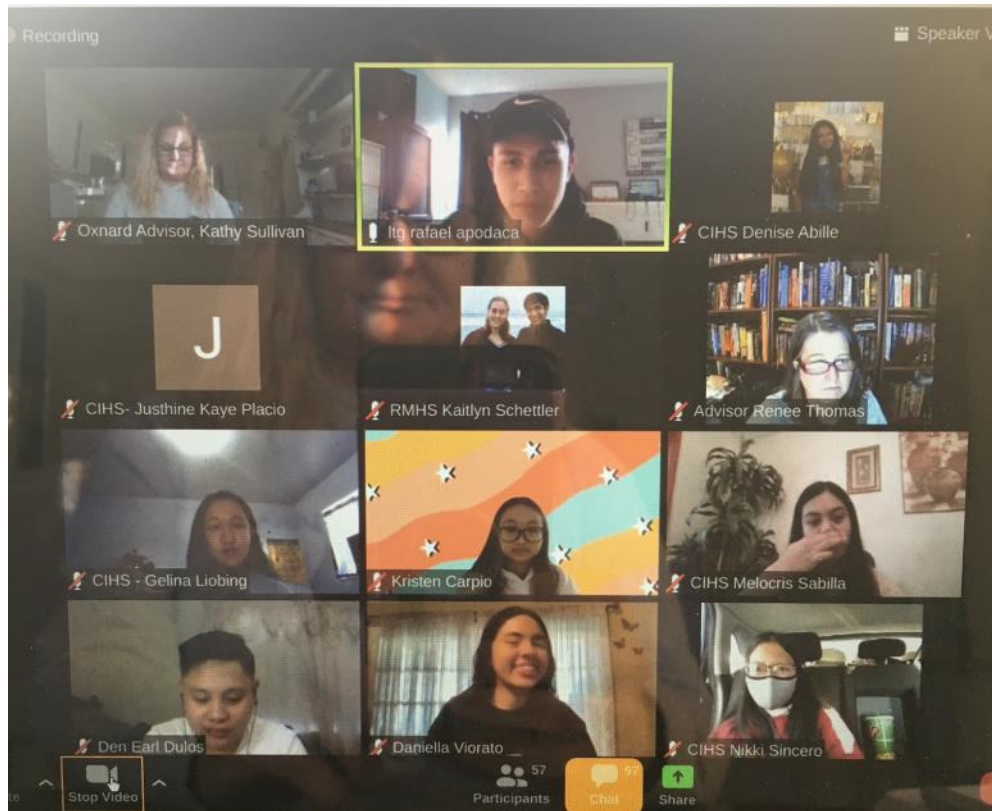

Left - Mark and Ute Van Dam display their handmade Blanket Buddies.

Right - Barbara Eisenberg gets crafty making multiple no-sew blankets for our Division project.

Members Debbie Lee and Jackie Flame help sort toys, and are joined by Santa's Elves Bruce Rokos and Ute Van Dam to spread holiday cheer at the Moorpark Pantry Plus.

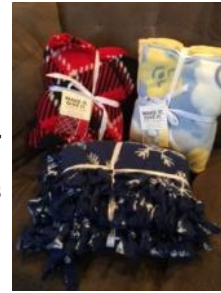

The Key Club Division 42 West end of the year DCM was attended by Oxnard Kiwanis members Marsha Cordes and Kathy Sullivan. Marsha Cordes was named advisor of the quarter.

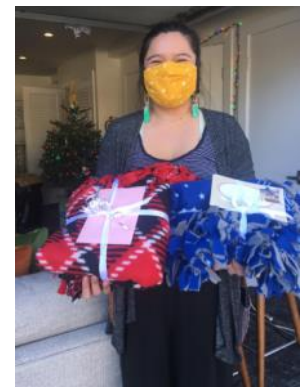

Our January general meeting was well attended, with members from Oxnard Key Clubs, Santa Susana Kiwanis, and Lt. Governor Debbie.

Blanket Donations

It was recommended by Division 42 Lt. Governor Debbie that each of the clubs would take on the task of making 5 blankets for children in foster homes or other such sites with children. Santa Barbara being overachievers decided to make over 30 blankets. It has been a successful project during this isolation period.

L-R: Nancy Butterfield coordinated the blanket project. She was able to recruit and sweet talk 9 Kiwanians to be part of the assembly team. Ron Stankoski took up sewing during his retirement/pandemic, so was very happy to help with the blankets. Stacey Mertus shows off her beautifully assembled blankets. Michelle McConnell was the champion of blanket making. She assembled 10 in record time. Angela Miller Beven gives a thumbs up for finishing her blanket. She said it was not as easy as it looks!

L-R: Juli Askew is hidden behind the many blankets that she assembled. Lauren Loza proudly displays her finished products. Ten blankets were donated to Angels Foster Care agency. Executive Director Holly Carmody was appreciative. Francesca Sen, Noah's Anchorage Support and Outreach Services Coordinator, accepts 10 blankets for the youth they serve. I wish you could see her smile!

Canopy Donation!

The students from Cleveland School are able to attend in person outdoor classes with social distancing. Kiwanis provided them with 4 canopies. These shelters protect them from the hot sun or windy days.

Santa Susana

Debbie Heaslip Reporting

Former Santa Susana HS Key Club President Breezy Scranton came home for a visit with Mom (Santa Su member Sherry) and Dad. She enjoyed a break from Vet School and fun with the kitty.

Anastasia and the kids, Anthony and Alaynna, are all smiles on Christmas morning. Of course, it may be because they had just finished opening their presents.

Members Gary and Karen White enjoyed a quite holiday season at home. Apparently Lasagna is the traditional holiday dinner at their house. Sounds yummy!

President Margaret Zoetewey's daughter and granddaughters got together to decorate their real tree for the holidays in Florida.

The Samaritan Center helped unload 24 boxed dinners of salad, ham, mac & cheese, fruit, and dessert prepared by Debbie.

Santa Susana wishes Kiwanis members and their families all the best for 2021.

A 2020 Retrospective We look back on a uniquely memorable year.

Rocking the District Mid-year conference in San Gabriel; Serving monthly meals for Samaritan Center - often with help from SLPs; Working at the Simi Youth Baseball opening day pancake breakfast.

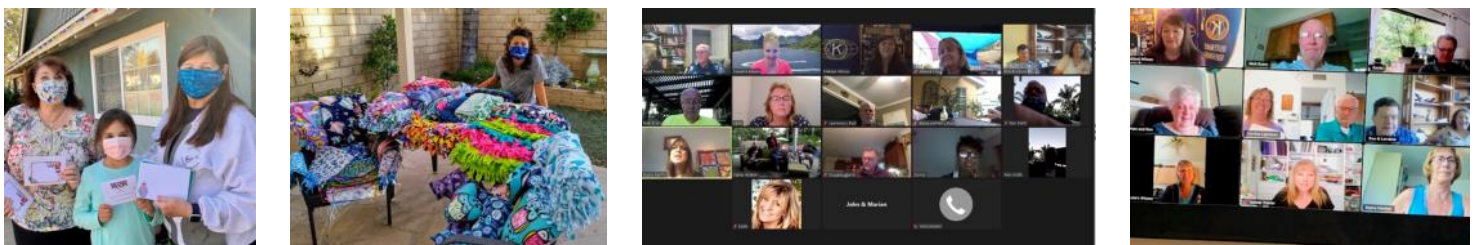

Round*Up Country Music Festival made it just under the lock-down wire; Individual members made masks and receiving blankets - for profit and charity; Still in Tune "dis-banded" due to members moving.

Meals on Wheels for Covid shut-ins, Police thank-you luncheon set-up, Flag pole donation for Free Clinic, Our first Great American Food Drive (of two.)

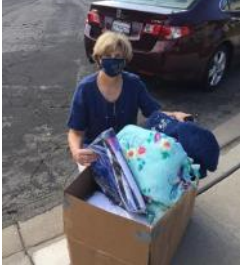

A socially-distanced Installation Dinner, Our annual Garage Sale, Helping at our community's Halloween celebration, Great American Food Drive #2 on Veterans Day, Club member Lorraine completes her First Lady's project: hundreds of books for kidSTREAM museum library.

Christmas cards For The Troops; More tie blankets, pillows, happy bags, buddy dolls, and hospital gowns for Operation Smile, City of Hope, and foster homes; Zoom, Zoom, Zoom!

Thousand Oaks

John Prescott Reporting

Club Secretary Gloria Dyok displays some of the eighteen blankets that the Thousand Oaks Club delivered to Lieutenant Governor Debbie Heaslip for the Division 42 "Blanket Buddies" project. These no-sew blankets will be donated to the Ventura County Foster Care program and local women's shelters. Members Melissa Cam and Sherrill Hyink provided the blankets for our donation.

On December 2, the Thousand Oaks Club heard a program presented by Buen Vecino ("Good Neighbor") a local non-profit that advocates for and supports immigrants. Members asked Willie Lubka, Buen Vecino's Executive Director, how we could help. In response, Willie mentioned a toy drive they were organizing for children of farmworkers, many of whom are immigrants. Enough said. Ten days later, President Craig Burns, along with Doug (Santa's Helper) Ryan, loaded up a car full of toys and books collected by Club members to donate for the toy drive. Willie and his son were on hand to accept the holiday offerings. Willie said we gave much more than expected, and our generosity would go a long way to fill their needs this holiday season.

On December 14, Vice-President and Community Services Committee Chair Mary Sepe dropped off 70 turkey sandwich meals she had prepared to help Harbor House feed the homeless and other food insecure individuals in the community. Other members have volunteered to continue this service project on a monthly basis.

The Kiwanis Club of Thousand Oaks supported 24 local families with a total donation of over \$1,200 from our members. Each family received a \$50 gift card, and a holiday greeting with our best wishes. The receiving organization is a pre-school, previously called Neighborhood for Learning, now part of the Conejo Valley Unified School District. The director, Amie Mills, has worked with our Kiwanis Club for several years. She identified families with children at the school who could use help this season. In past years our club has helped 6-10 families with gifts and gift cards. This year we decided that, with the pandemic, the best option is to provide cards that families can use for gifts, clothes, or food.

Here is the Kiwanis Club of Thousand Oaks donating Toys for Tots for a second time in two weeks! All those toys you see were from us! Thanks to all those who have donated. We needed to get these toys out earlier than usual, as they must go through a four-day quarantine before they get prepared for distribution in the Conejo Valley.

- * We are hosting a Socks Drive for the homeless at the end of January.
- * Three of our members are working on the blanket project.
- * We will soon be hosting a "Community Key Club" for Ventura County which offers an option to join an online Key Club for students whose school doesn't have one.
- * We hold Zoom meetings the 1st and 3rd Fridays at noon, and every 3rd Thursday at 6pm which is our KAD Club - Kiwanis After Dark.

Our Beardzardly fundraiser is over. We raised over \$200.00 in guesses and donations. The winning guess hit the length exactly. That length was 26 inches. We would like to thank all those that helped us have a little fun with this half-decade loss. The winner will receive \$100.00 as part of the 50/50.

The winner is: Yvonne Glassey.

Congratulations Yvonne.

Kiwanis District Signature Project Contest 2021

District Selection from Each Tier will be Submitted for Kiwanis International Contest!

Does your Club have a Signature Project to Share and Submit for an Award?

Signature projects show the impact a Kiwanis club can have on a community. From playgrounds and parks to festivals and fundraisers, signature projects are the hallmarks of what Kiwanis clubs are known for in their communities.

Kiwanis International will host the Fifth Annual Signature Project Recognition Program for districts in 2021. Clubs with 27 members or fewer will be judged in the Tier I category. Clubs with 28 members or more will be judged in Tier II category.

Clubs should submit their project details using the [online contest submission form](#).

One club-level signature project submitted from within the Cal-Nev-Ha District from each tier will be selected to represent the District for the International level contest.

Then, the Kiwanis International Board Committee on Service and Partnerships will review qualifying District submissions and select the 10 finalists in each tier. The finalists will be recognized at the Kiwanis International convention in Salt Lake City, UT, where the top winners will be announced and receive awards. Finalists will be notified of their selection in time to take advantage any discounted convention early registration rates.

The goal of this contest is to recognize clubs that participate in signature projects that have a positive impact on their communities and to inspire all clubs to create meaningful signature projects and fundraisers.

The project should follow the criteria [outlined here](#).

[Ready to apply?](#)! Entries are due at **midnight ET on Sunday, January 31, 2021.**

For more information and qualifying criteria, visit the [Kiwanis International website](#).

For many clubs, Covid restrictions may have impacted your ability to hold your annual event, so you are encouraged to submit your project based on the previous year's execution. If you were able to conduct a Covid-modified event, you are encouraged to also submit your revised version. As a reminder, there is no restriction on clubs entering their same project from year-to-year - so even if you submitted a project previously, please submit again for this year's contest!

Kiwanis® Amplify

Learning and living leadership out loud

Everyone can identify a great leader. But what makes a leader great?

It takes education and training. That's why we're introducing Kiwanis Amplify — a leadership program for anyone who wants to amplify their skills to help them build and lead a team.

Through Kiwanis Amplify, participants will learn skills to improve more than their Kiwanis club. They'll get the tools needed to improve communities, careers, schools — the lives of adults and children everywhere.

Interactive modules will be released weekly. Participants can work through the material at their own pace and will have the chance to interact in online discussions with cohorts moving through the curriculum. The program culminates with an in-person or online session during the 2021 Kiwanis International Convention in Salt Lake City, Utah, June 23-26, 2021.

Get answers to some of the [frequently asked questions](#) about Kiwanis Amplify.

The participation fee is US\$200. Individuals may nominate themselves or a club, division or district may sponsor participants for Kiwanis Amplify.

Visit kiwanis.org/amplify to learn more about the program and suggest members you think would benefit from participating.
