HelloDivision 42:

Time to grab that favorite beverage and enjoy the November issue. I want to thank the Camarillo club for being amazing hosts at our November DCM. In addition to the Bundt cakes, I understand President Robert Kelly treated us to the wonderful boxed sandwiches. We had nine of our clubs there to present their book donations. KidSTREAM went out of their way to help us provide a safe and enjoyable venue. They were overwhelmed with our generosity. Over 500 books were delivered. They may take us up on our offer to help build bookshelves. Our former First Lady and Past Lt. Governor, Lorraine and Don Erickson, presented a plaque on behalf of Division 42's support of their Literacy Programs.

Well you have REALLY out-done yourselves this month. When Matt (your Lt. Governor Elect) and I came up with the idea of doing Division Banner Patches, we had hopes that most of the clubs would participate and have some fun with it. Well gee whiz - the challenges have been an OUTSTANDING success because of you, our members.

With only one exception, **every club has earned their Kiwanis One Day Patch**, collecting thousands (and I mean thousands and thousands) of items for the food banks in our own communities, including one for our animal friends. Almost 30 interclubs took place in October; Moorpark holds a slim lead in the Challenge, with Santa Susana and Simi Valley close behind. Several clubs joined us for an interclub with Monterey, and most recently Division 42 became the talk of the Glendale club when 21 members joined a meeting.

COMING SOON – Matt has an interclub with Jamaica in the works, and in January we will have the opportunity to join the Greater Kiwanis Club of Chicago. I am also in touch with the Vancouver club.

Our Signature Project, the “No Sew” Blanket, is well under way with 3 clubs already earning their patch.

The Kiwanis Pride is off to a great start as well with clubs attending our DCM's – in person and virtually, and both the Kiwanis and Key Club RTC's. BTW- Mark your calendars, the Virtual Mid-Year is February 13th.

Homework Assignments – ok, only 2 of you did your homework. Not sure if that was because you didn't read my column or forgot. Simi shared a story about someone who wanted to buy one of their members at their garage sale (which raised over \$2000.00 without this sale, so they declined.) Another shared something to make us laugh—apparently “the buttons on his jeans are now social distancing.”

This month's message is, **“Take time to play. It is the source of perpetual youth.”** So your homework is to share with me something playful your club or a member has done –something “Fun.”

Here is your “November” info. If you were born before Nov. 22nd you are a Scorpio; after the 22nd you are a Sagittarius. Interested in info about your sign? Here you go: <https://www.astrology-zodiac-signs.com/>.

Truly Canadian: Did you know that the Baseball Glove was invented in Canada in 1833?

Thank you for taking the time to chat. Have a wonderful day, and take care until we meet again.

Debbie

Camarillo

Allen Grizzard-Paul Reporting

Finally, we were able to get back to some sense of normality, even if it was only for one week. Following our Zoom meeting and board meeting last Tuesday, we had eight members and one guest attend this month's DCM at kidSTREAM. Then on Saturday we had a very successful Kiwanis One-Day.

At the DCM, Mary Grizzard-Paul received the Division 42, "Timeless in Service" hour-glass award. Her son Ryan, who has just joined our club, made the presentation. Timeless seems to fit well with Mary as she has been an active member of our club for over 28 years, President at least 4 times, and she still works tirelessly in the background, and there is little she doesn't know about Kiwanis as everyone she meets soon finds out. Also, at the DCM our President Elect, Linda Thayer shared a message that her granddaughter pinned to the Blanket she made for the Lt. Governor's Project.

The note reads: "Dear Someone, I hope you love this Blanket. I made it just for you! Whenever life gets tough, just hug it and know everything is going to be OK. Have an amazing day and be positive". – Your new friend

We also had a chance to try out the Magic Spun Chairs that our club purchased for kidSTREAM, and although our new member, Ryan, flipped over on his first attempt, Governor Gary's First lady, Marsha, took to it like duck to water and spun that chair like a true professional.

Immediate Past First Lady, Lorrain Erickson, presented kidSTREAM with over 500 books donated by Division 42 Clubs.

Our Kiwanis One-Day project was a great success. We set up outside the Grocery Outlet and handed out pamphlets listing food items that the local pantry needed. Our very own patriot, Doug Hill, dressed up for the occasion, and by the end of six hours we had completely filled up the back of a truck. This was a WIN-WIN-WIN event where the Food Pantry made out big time—the Store sales went up—our Club made a lot of new friends.

Conejo Valley

Roger Klausler Reporting

We provided 1000 pieces of candy for the Conejo Recreation and Park District's Halloween Trick-or-Treat Drive-Thru at Conejo Creek North Park. On the afternoon of October 24, families drove through the park, collecting pre-packaged goodies while enjoying Hysterical Haunts, Kooky characters, Spooky Booths and prizes. Vice President Sue Bartley (left) does the handoff to Sommer Barwick of Conejo Recreation and Parks.

At the DCM on November 12 in Camarillo, we presented our 56 new book donations to kidSTREAM. Former First Lady Lorraine Erickson's project resulted in over 500 books being donated to kidSTREAM by the clubs in our division.

We had planned a "quilting bee" in the back yard of the home of one our members, but then thought, even with safe distancing, that it might not be wise in the face of the recent Covid surge. So we have begun to assemble materials for at-home making of blankets for Child Services of Ventura County.

As we reported in the previous *Fireside With Deb*, for the past five months, we have been providing donations for two local food banks, Manna and Adelante Comunidad Conejo. Shown here is Past President Tom Stapleford doing a couple of the weekly drop-offs.

Moorpark

Ute Van Dam Reporting

We had a food/supply drive in support of America's Teaching Zoo at Moorpark College. The zoo had been closed for 6 months and has lost over \$300,000 in revenue. Cindy, Danielle, and Bob Pratt helped collect and deliver supplies. Zoo employees were thrilled with all the donations collected in our community.

L-R: Barbara Eisenberg (left) helps Moorpark 'Friends of the Library' with their book donations; Emily Link volunteers for Meals on Wheels; new member Jackie Flame helps Moorpark High School with their flamingo flocking fundraiser.

Our monthly social was a socially distanced, outdoor gathering held at The Alley in Moorpark. Clockwise from top left: President Ute Van Dam and Wendy Rokos; Treasurer Tom Anderson, Mark Van Dam, Stephanie Anderson, and son Robert; Ken Simons, Kim Simons, Past President Steve Hoppel and Secretary Natalie Barrett; Bruce, LJ, and Wendy Rokos; Jim Link, Debbie and Bryan Lee, and Emily Link.

Moorpark's Motely Crew brought joy to Spooky Avenue, Moorpark Park and Recreation's Trunk or Treat event. L-R: Gorilla Mark Van Dam and friend; Debbie and Bryan Lee pass out candy to little goblins; Ken Simons uses a tube to safely give children candy at a distance; Easter Bunny Tom Anderson; Jackie Flame was busy handing out candy at a neighboring booth; Natalie Barrett (in red) helps Rotary Club of Moorpark Morning fill candy bags for Ruben Castro Charities to give out to families.

Goal reached!

We exceeded our goal with a team made up of 50 people. Summit for Danny will receive a donation from Kiwanis Club of Santa Barbara for \$2,500. And he wears it well....

Madera K-Kids Back in Full Swing

Madera K-Kids and Sinaloa Middle School Honor Society students are teaming up on service projects. Over 400 recycle bottles and cans for the K-Kids Recycle for Charity program.

Students also decorated over 200 placemats for Meals on Wheels, For the Troops, and our Thanksgiving Baskets.

“From the Couch” Travel Log

At this month’s social meeting, Ventura Suburban joined us for a presentation by President, Margaret on Portugal.

Along with some unknown and great information, we were served the traditional Portuguese dish, Peri-Peri Chicken, it was yummy.

This delightful program has been a real learning experience. Members have already presented France, Australia, and Germany. It has given us a wealth of unique and fun knowledge, and some wonderful traditional dishes.

KIWANIS ONE DAY

Santa Susana joined the Simi Club for a Community Food Drive. Members including 13 Key Clubbers and K-Kids manned 3 stores collecting and delivering thousands of items for our local food bank and in support of the Division 42 One Day Challenge.

Blanket Buddies

Our ‘No Sew’ blanket program continues to engage many of our members including our K-Kids and Key Club. A cutting party was needed to keep up with the request.

Simi Valley

Shelley Howard Reporting

Our 2020 Simi Valley Kiwanis Garage Sale was a huge success! Thank you to our community for coming out and making it the best ever! All proceeds will be going to help the youth and underserved in our community.

Simi Valley Kiwanis was out to support the Simi Chamber's "Halloweekend" event. For two nights we sold hot dogs, chips, popcorn, and delicious hot chocolate. On Halloween we helped to hand out candy to drive-by's!

On Veterans Day, we held our second Great American Food Drive, celebrating our Veterans and others in Simi Valley who may need a little extra help this holiday season

At the November DCM, held at KidSTREAM Children's Museum, President Lorraine Erickson gave a plaque to Michael Shanklin, Executive Director, for Division 42's donation of STEM books to their Library. This was Lorraine's 2919-2020 First Lady project. Simi Valley donated 104 of the over 500 books from Division 42!

Thousand Oaks

John Prescott Reporting

The Conejo Recreation and Park District sponsored a "drive-through" Halloween for the community on October 24, and the Thousand Oaks Kiwanis Club provided one of the 35 booths where treats were handed out.

Approximately 70 club members and guests gathered for a socially-distanced in-person Installation Banquet on Sept. 26 at Conejo Creek North Park. Immediate Past President Chuck Huffer organized the event, which was a tremendous success. Outgoing Lt. Gov. Don Erickson presided over the de-installation of the 2019-2020 officers and Directors. Incoming President Craig Burns addressed the Club after his installation. He takes the helm during a very challenging year, and likened our situation to Gilligan's Island—isolated, but together. Our means of providing community service will be different in some ways, but we will persevere. Our other new officers are President-Elect Aaron Kitzman and Vice-President Mary Sepe.

Left: Past President Chuck Huffer (L) and Past President John Prescott (R) shared the Kiwanian of the Year award. Center: President Steve Weiss honored Past President Randy Senzig with a Distinguished Service award. Right: Incoming President Craig Burns presented the traditional gavel plaque to our brand new Immediate Past President, Steve Weiss.

Division Signature Project

This year our Signature Project will be "Blanket Buddies." These are "No Sew" blankets we will donate to the Ventura Foster Care Program and local Women's Shelters.

We are asking for each club to provide 5 blankets to the project. More would be amazing but we want to encourage clubs to participate and have it achievable. This is a great project for Builders and Key Clubbers.

Each blanket is 2 pieces of 1 1/2 yards of material (the top and the bottom). If you watch for Joann's sales and use their coupons, you can often get the fleece material for less than \$2.00/yard, Walmart also carries a variety of fleece at a good price. The bottom can be a plain contrast color and these solids are often less in cost. Blankets can be 48 or 52 inch squares.

If you have never done these, let LTG Debbie know; she is happy to come in person or on Zoom to show you how. It is super easy.

An even more cost effective method, if you have anyone who crochets, is to do a single layer blanket with a crocheted edge. They do need a rotary cutter but most have this if they crochet or the club can purchase a few, they are not expensive. Former first lady Lorraine Erickson is amazing at this and is happy to teach anyone interested.

YEAR-END FUNDRAISING

As the year comes to an end, we can't help but look back on the challenges we have overcome together as a District. This was an unprecedented year with many hurdles, but through the power of teamwork, kindness, and passion, we have come together and made this one of our most successful years to date. We hope you will join us in ending this year on a high-note by saying YES! to youth with a gift to the [YES! Initiative](#).

In honor of CNH Children's Fund Appreciation Week (11/24-12/1), our student leaders will be posting videos to Facebook using the hashtag #Thankful4CNH. These videos will showcase their gratitude

for the scholarships and/or leadership training they have received from the CNH Children's Fund. Help us amplify their voices by sharing their videos on your social media profiles and encourage others to say YES! to youth with a gift to our [YES! Initiative](#). It is only through your generosity that we can continue to support our Service Leadership Programs students with scholarships and leadership training. With your help, we can end 2020 with more funds to say YES! to youth in the coming year and for years to come.

FOUNDERS DAY

The CNH Children's Fund recently celebrated its 55th birthday! Much has changed since our early days, yet our commitment to children has remained constant. In honor of our birthday, we invite clubs to [make a Founder's Day gift](#). For just \$5 per member, your club's gift enables the CNH Children's Fund to provide [grants to our Kiwanis clubs](#) and [supports our student leaders](#) with scholarships and leadership training.

CHRISTMAS WITH KIWANIS

Holiday celebrations will look much different this year due to the ongoing pandemic; however, we can reminisce on good times filled with fun and friendship. Read how the [Kiwanis Club of West Covina](#) used a club grant from the CNH Children's Fund last year to host their city's first ever Children's Christmas Parade and Santa's Village!

Photo is only showing a portion of
the beard. The beard is like an
iceberg, most of it is hidden.

As you may know Brendan is going
to have radiation treatment on his
throat. Because of this his beard
has to be cut way back to allow the
mask to fit properly. Since it has to
go why not have some fun with it
and do something positive.

The money raised will go to
the Club's new program of
support a scout, a program to
help underprivileged youth be
a part of Scouts BSA
and other club supported
programs.
