Dear Division 42 members,

Wow! I can't believe how quickly time is flying for this Kiwanis year. These past 7½ months have been very busy. It makes me so proud when I think of all of the great service that has been done during this time by all of our clubs, and the smiles created and lives changed as a result of this service.

I am also pleased to say that we have great Kiwanians who have stepped in to lead our division. Ed Cué of the Santa Barbara Kiwanis Club will be your next Lieutenant Governor, and Katy Porter of the Thousand Oaks Kiwanis Club will be your Lieutenant Governor-elect. These individuals are excited to lead our division. The experience and enthusiasm that each brings will make a big difference in our organization.

I want to thank Ed Cué for stepping in to lead the May DCM in my absence. I also want to thank everyone who came out to our Governor's Official Visit on April 30 to welcome Governor Pete and First Lady Jeannette. It was a fun day and a great celebration of some very deserving individuals in our division with the presentation of the Distinguished Service Awards and the Community Service Awards.

June 9 will be our final DCM for the 2016/2017 Administrative year. Our host for the evening will be the Kiwanis Club of Moorpark. I hope you will join us!

Also, on the horizon is the CNH District Convention in Sparks, Nevada on August 3 -5. I cannot stress the importance of these opportunities to learn about what is new with the organization, programs that are available to clubs, and what other clubs are doing in their communities to make a difference. If each club can make an investment to send at least two people, it will positively impact your club. I promise. More to come on this.

Thank you so much for all you do.

Kathi

Camarillo Kiwanis

Allen Grizzard-Paul reporting

On April 9, we provided breakfast for the brave souls who battled the windy conditions and survived the night at this year's Relay for Life. Our KIWIN'S Club of Rancho Campana High School came to give support and did a lap of honor carrying our club banner. In the center is Mikie Phouthavong, our Turquoise Division Lt. Governor.

On April 23, Camarillo joined forces with the Thousand Oaks Club to serve breakfast to runners and volunteers at the annual Aut2Run, Autism race. This is the third year our two clubs have worked together on this event, and it is one of our most enjoyable events of the year.

Being a small club there is no way we could take on an event this size on our own, so by joining forces it gives us a great opportunity to serve so many more people in the community. Thank you, Thousand Oaks Club, for enabling us to do this. This is what Kiwanis is all about.

Kiwanis of Conejo Valley Roger Klausler reporting

On March 25 the Builders Club at Sequoia Middle School had a For The Troops Day, providing members of the American military with "We Care" packages and—most of all—a show of the club's support.

We held our Third Annual SLP Picnic on March 26 for the six clubs that we sponsor to express our gratitude to the students—and to their parents—for all the ways in which they serve their schools and communities. We had a balloon-toss game, a speed-timed hula hoop relay (that's event chair Amy Hastings and Sycamore Canyon Builders Club advisor Malinda Young trying to beat the record), a delicious BBQ provided by our President Tom Stapleford, Robert Wing, and Randy Gould, and the kids had some serious conversations with Amy about their goals, ideals and aspirations.

Our Tenth Trivia Night on April 20 tested the guests on a wide range of areas trivial and not so trivial. Three or four of the puzzlers provided by caller Bonnie Hames, Ph.D. were emojis and iconic images from social media that stumped some the "senior" members of the 14 teams.

On April 22 about thirty members of the Sycamore Canyon Builders Club and their parents sorted clothing and shoes at James Storehouse, which serves foster youth in our community.

On April 29 the Builders Club at Sequoia raised on-site a little over \$1200 for Alex's Lemonade Stand to fight childhood cancer, plus another \$400 from online contributions. Supporting the cause are club secretary Roger Klausler and Superintendent of Schools Ann Bonitatus.

We awarded four scholarships to attend Key Leader Camp on April 28-30. At the left are Agoura High School Key Club members Belisa Yu and Ariana Simms, and to the right are Sycamore Canyon Builders Club members Shaylee McKeown and Evelyn-Marian Barber.

2015-2016

Our club achieved Blue-level Today Club status for our per-member contributions to the Kiwanis International Children's Fund for 2015-16.

Moorpark Kiwanis Club members volunteer at the Arroyo West Elementary School carnival.

Our Key Club and Builders Club representatives keep us informed at our Kiwanis meetings.

Our newest members, Irma and Michael (center) are congratulated by Vera and President Bryan.

Our club sorted and transported many tons of food collected by the US Postal service for the Moorpark food pantry.

Our annual Bunco event raised money for local charities.

Spreading the word about our great club, and providing free car seat ID stickers and electrical outlet caps.

President Rick Brown helped the S.B. Club with the cooking for their Kiwanis One Day project on April 22.

On a housekeeping note, Bill, Julie and Rick picked up old Kiwanis storage boxes and files from the Gardners' garage. Besides really important old files and memorabilia, we found this plaque – well worth reading and remembering!

Our BBQ season will not really start this year until June – thank goodness as it's been a year for reservoirs & umbrellas.

In the meantime, here are our FIVE new members, some of whom got their first Kiwanis experience by working on the BBQ trailer and will soon be putting those aprons to good use!

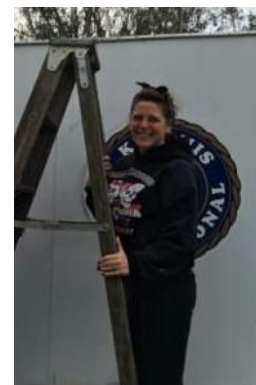

New Members Bradley Vickers (very tall) and Sally Reagan (not very tall) with President Rick Brown who is standing tall in both pictures!

New member Kyler Barbee is still waiting to chuck the tie for his chance to work the BBQ coals ...

Wheels to the Sea

Hustle and bustle in front of the Santa Monica Mts. readying for the hikers at Wheels to the Sea.

Aaron and Harrison Podell show us how to clean a grill.

Randy Senzig, Bill Steele, and Norm Tardif get ready to barbeque.

Chief Dick Wilson and Jack Talbot are photo bombed by Aaron Podell.

The hikers pose for a group picture in front of the busses.

What a scene! As always, the long hike was well worth the effort.

Kiwanians turned out to support our Special Olympians at Newbury Park High School.
