My fellow Kiwanians,

Welcome to a quiet place, where you can put your feet up on the Kouch and take a breath.

I'm so grateful to belong to an organization that helps the community all year round, and steps up when needed. We are in the midst of a pair of tragedies. Members of our community have been impacted by a senseless killing. We lost 12 souls at the Borderline Bar and Grill, who were simply having a nice night of music and fun with friends. Some of our members knew the young adults and Sergeant Ron Helus personally. My condolences to all of you. We all share the loss.

Only a day later, fires erupted during a Santa Ann windstorm, and burned wide swatches of Thousand Oaks, Newbury Park, Westlake Village, Agoura Hills, Simi Valley and of course, Malibu. Up north, the town of Paradise also suffered an unbelievably devastating fire. Many of us evacuated, and others sheltered friends and family who had to leave their homes. The fires are still burning as I write this, but my fervent hope is that there will be no more loss of life or homes. There are several ways to help, including donating to a local charity, which I know many of you are doing.

Our own DCM was held the night the fires started. A brave 16 members attended the meeting, including Nick Esser, past Lt. Governor, who took over the MC duties when both Don Erickson and I could not make it. The ARC provided a space to share a meal (thank you Simi Valley!) and meet our Trustee from Santa Maria, Steve Geraci. Steve has graciously offered to visit us again at our December meeting. Don't miss the chance to meet this fine man.

Each club is busy in its own way, finishing this calendar year with events large and small to help residents of Ventura County and Santa Barbara County to find some joy at a difficult time. The holidays are upon us. My first husband loved to say, "It is better to light one candle than to curse the darkness." I learned later that this quote is an ancient Chinese Proverb. Take time to reach out and light someone's candle in the months ahead.

Here, sip some hot tea with lemon as you take time to visit with each of our clubs as you continue to the next pages. I'm so proud of each of you, and what you do for others. The Hearts of our Heroes are showing!

Allen Grizzard-Paul ably assisted by a couple of Rancho Campana KIWIN'S.

On October 26, the Kiwanis Club of Camarillo held their 25th Annual Peanut Day Fundraiser. Our members were outside a number of stores along with members of the KIWIN'S and Key Clubs. It is getting a lot harder to find stores that will allow you to stand outside and ask for donations, but we still managed to raise around \$600 on that day. However, we now rely a lot more on corporate sponsors who purchase boxes of Peanuts or Trail Mix.

This has currently raised another \$5,000, but we still have a number of boxes of Peanuts and Trail Mix in inventory, so if you like to pack some extra protein in your lunch bags, **please help us out by purchasing a box of 100 bags of peanuts or 24 bags of Trail Mix for \$40.**

This was the evening shift where we had two potential new members who came along to help out and learn more about some of service projects that we are involved in.

Chris Hill, Linda Thayer-Gaboury, Ryan Grizzard, & Ray Favacho.

On November 6, we were out in full force manning a poling booth in Camarillo. Another good way of getting the Kiwanis name out into the community. We worked four shifts throughout the day and it produced some great team participation. Turned out to be a very busy day. By the way I was drew the short straw and was designated the position of Inspector which meant working all four shifts and then some.

# Hall of Heroes

## Camarillo

Our Hero of the Month appropriately is our wonderful WWII Veteran, Leonard (Bud) Utter, who joined our club at the grand old age of 96 and immediately took over our project of supplying food and donations to the local food pantry. He always has a great big smile on his face and makes our meeting special. He also has some great tales to tell, not only about his experience chasing Rommel around the desert, but also about the many years working for Howard Hughes. Bud was one of the very few people that Howard Hughes spoke to daily.

## Conejo Valley

Our Hero of the Month is Sheromie Vittachi, who chaired the event. She joined our club in November 2015 and has begun her second 2-year term on the Board of Directors.

## Moorpark

City Council member and Moorpark Kiwanian, Mark Van Dam was the guest speaker at the Veteran's Day ceremony. Mark is our club hero this month for serving on the City Council for 12 years, and for being an active Moorpark Kiwanian since 2004. He is also our hero for having his great fashion sense!

## Thousand Oaks

“Arnie Rudman, a retired dentist, has been a member of the Kiwanis Club of Thousand Oaks since 1982. He has chaired several Committees during that period, and is a past President of the Club. Arnie was the lead for our recent very successful Wheel to the Sea event, and he is organizing our annual pre-Thanksgiving breakfast gathering with residents of a local skilled nursing facility”

# Hall of Heroes

## Simi Valley

Robert "Bob" Earle Pegg was born September 20, 1925 in Kalamazoo, Michigan and died on July 2, 1994 at the age of 68. During his lifetime, he did many things for his country; for the City of Simi Valley and the surrounding area; and for Kiwanis International, Division 42, and the Kiwanis Club of Simi Valley. Our club wishes to recognize him as our "Heart of a Hero" because of his many contributions and wide-ranging affects on Kiwanis and our community. Although he is no longer with us, his memory lives on.

### Military Service

Bob served in the Navy from 1943 to 1966 and was discharged with the rank of Chief Yeoman. The administrative and recordkeeping skills he learned in this role were used many times in his future endeavors.

At the age of 17, he was selected to be put ashore on Normandy Beach on the evening prior to the D-Day Invasion. Since he knew Morse code from his Boy Scout days, his job was to scout the area and signal with a flashlight to the waiting task force to tell them where it was safe to come ashore. He landed with a team of less than 20 soldiers and, as far as he knew, he was the only survivor of that group because he never saw any of his comrades again.

### Contributions to Simi Valley - Resident since 1968

- One of the first Presidents of the Simi Valley Chamber of Commerce. This position eventually became known as the Chamber CEO. In this role, Bob was on the Moorpark College Simi Valley Community Advisory Committee which oversaw the first two years of the Simi Valley Consumer Fair. As planned, the sponsorship and leadership of the Fair was then turned over to the Chamber of Commerce while Bob was President. This Fair has been a very popular and valuable community event and, after several name and location changes, is now the very successful Simi Valley Street Fair.
- One of the original founders of the Bank of Simi Valley which has changed hands over the years to become the current Union Bank.
- Served on the boards of numerous service clubs, including the Elks Club of Simi Valley and a chapter of the Salvation Army and helped establish the Free Clinic of Simi Valley which is still very active today.
- Was a distinguished President of the Kiwanis Club of Simi Valley from 1979 to 1980 and a distinguished Lt. Governor of Division 42 from 1983 - 1984. He helped start the Moorpark Kiwanis Club and the first Circle K Club at Moorpark Community College. In recognition of his many community contributions, he was selected to serve as the Grand Marshall of the Simi Valley Days Parade during one of the years when Simi Valley Kiwanis actively ran this event.
- According to a past Simi Valley Mayor, Greg Stratton, Bob "had this amazing ability to stand there and talk to you, and when you came away from him, you realized you'd just volunteered to do something for some good group or organization". For this reason, he was often referred to as "Mr. Volunteer".
- Served with distinction as a member and foreperson of the Ventura County Grand Jury which is a volunteer position that entails many hours a week and is a year-long commitment.
- Ran twice for elected office - a seat on the Simi Valley School Board and a position on the Ventura County Board of Supervisors. Although unsuccessful in both attempts, he still continued to be very active and influential in the community in many other ways.

When asked to nominate someone as our club's "Heart of a Hero", several of our members immediately recommended Bob Pegg, even though he passed away almost 25 years ago and is only a part of our past to many new members. His obituary called him a "community activist" and we feel he deserves to be recognized as the type of person we might all try to emulate, especially as it relates to his tireless work for Kiwanis and other community groups and, as we near Veteran's Day, for his valiant service to our country. We are pleased to submit Bob E. Pegg as our "Heart of a Hero" from the Kiwanis Club of Simi Valley
